

ANNUAL CONSUMER CONFIDENCE REPORT

2017

CAMBRIA COMMUNITY SERVICES DISTRICT

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires the CCSD to provide you with. The purpose of the CCR is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources. In recent years, the CCSD has mailed its customers a printed copy of the CCR to comply with the SDWA. On February 21, 2013, the California Department of Public Health expanded its interpretation of the SDWA to allow for electronic delivery of the CCR. The electronic delivery method will allow the CCSD to reduce the consumption of paper and minimize potential printing and mailing costs. If you would like a paper copy of the 2017 CCR mailed to your mailing address, please call 805-927-6223.
