**PARCEL COUNT INFORMATION FOR
PROPOSED RATE INCREASE**

On Monday, April 27, 2009, the CCSD mailed 4,480 proposed rate increase notices to 3,931 parcel owners and 549 tenant customers. The notices included information regarding proposed water and sewer rate increases.

Of the notices mailed, 110 customers may participate only in the water rates protest process, as the CCSD does not provide them with sewer services. Only one protest per parcel will be counted for all water and sewer customers.

Total parcels served by the CCSD

- Water: 3,926
- Sewer: 3,816*

Requirement for majority protest

To achieve a majority protest, 50% + 1 of the parcels served is required. Preliminary counts are as follows:

- Water Majority Required: 1,964
- Sewer Majority Required: 1,909

The number of parcels with active customer accounts served by the CCSD on June 15, 2009, the date of the Protest Public Hearing, will determine whether a majority protest exists. The hearing will be held at 12:30 p.m. at the Cambria Veterans Memorial Building, 1000 Main Street, Cambria.

For more information, please contact the CCSD at 927-6223.

**Reflects a lower number than water parcels served due to 110 customers not receiving sewer services from the CCSD.*
