CCSD Introduces New Community Website

Cambria, CA--- The Cambria Community Services District (CCSD) has rolled out its new website, replacing one that had been in service for more than seven years.

According to CCSD General Manager Tammy Rudock, the new site is a major improvement on the old one, taking advantage of up-to-date web technologies. “The old website served us well for many years, but the new one provides more information, is better organized, and allows customers and other users to find what they’re looking for much faster.”

In addition to each CCSD department being visible on the Home Page, there is also a “Find It Fast” section which points users to information most frequently requested from CCSD staff. To preview the new site, please go to www.cambriacsd.org.

For further information, please contact CCSD General Manager Tammy Rudock at 927-6230 or trudock@cambriacsd.org.
