### REBATE PROGRAM CHANGES FOR FY 2009/2010

In consideration of the recently adopted FY 2009/2010 Operating Budget, the administrative policy for administering the rebate program is revised as follows:

Effective 7/1/09, cash rebates will be made by the CCSD for new toilets only, on a first-come first-serve basis, as follows:

<b>WATER SAVING DEVICE</b>	<b>REBATE</b>
Replacement of 3 gpf* or higher toilet with 1.28 gpf or lower toilet	\$ 75.00
Replacement of 1.6 gpf toilet with 1.28 gpf or lower toilet	\$ 50.00
Hot Water Recirculating Pump	Free Pump

\*gpf = gallons per flush

Once the \$2,000 budgeted amount is exhausted, the rebate program will close until additional funding becomes available.

No rebates will be offered for clothes washers or water softeners until additional funding becomes available.

For information, the former rebate program offered \$100 for 1.5 gpf (replacing 3.5 gpf or larger) and \$150 for 1.0 gpf toilets (replacing 1.6 gpf or larger); \$150 for clothes washers; and \$100 for water softeners.

Please contact Cori Ryan for more information on the Water Fixture Rebate Program or to learn about other ways to save water:
