3. **Public Comment on Topics Not on the Agenda:** Jim Bahringer complained that the district should save money by running agenda and minutes on both sides of the paper.

4. **General Manager's Report and Facilities and Resources report:** No Report

5. **Facilities and Resources Supervisor Report:** Carlos reported: Test plots finished September 27, 2016. There was excellent collaboration between he and FFRP. The job went well. The forest generally was cleaned up with over 366 cubic materials chipped. The burn and pile test plot was the hardest as it was hilly and material had to be dragged into piles. The burn may not take place because of its location. A special meeting of PROS was held October 4, 2016. Please see minutes of that meeting. The Bid Packages are almost ready to go out. Every effort will be made to see that local contractors know about the opportunity to bid. Homeless is still a mayor problem and expense for the district, with no end in sight. The west end community is keeping their eyes on the rest room and vandalism has appeared to stop.

6. Regular Business

A. Consideration to Approve Minutes from the regular meeting held on October 4, 2016: Motion was made by Commissioner Atencio and seconded by Commissioner Renshaw that they be approved. Past unanimously.
