Subject: Finance Committee non-agenda item public comment for Feb 23, 2023
Date: Tuesday, February 28, 2023 11:44:35 AM

>

> Please read this during public comment on topics NOT on the Feb 28, 2023 Finance Committee meeting agenda. Thank you.

>

>> I would like to request that the acting general manager of CCSD remind the Finance Committee members about the existing social media policy (policy 2415 approved by CCSD on 9/16/2021) that outlines approved guidelines regarding commenting and posting on social media sites about CCSD business by “District employees and District officials, as well as consultants and contractors performing work on behalf of the District” as stated in the policy’s Purpose.

>>

>> I feel a formal and annual review of the existing social media policy with members of standing committees is warranted based on posts and comments that show up on Next Door and local Facebook sites by standing committee members with mis-information and unsupported allegations.

>>

>> Two examples come to mind: Mis-information by a Finance Committee member about components of the most recent Prop 218, the recent accusation by a policy committee member that CCSD is influencing community members’ trash bin choices in order for CCSD to benefit financially.

>>

>> In the interest of CCSD board transparency and greater community involvement, I cannot understand how standing committee members’ incorrect social media posts/comments could be anything but harmful to community members’ understanding of current CCSD concerns and projects, besides being in violation of the CCSD policy on Social Media communications.

>>

>> I recognize how tantalizing it is to speak from an “official” position having “insider” information, but sharing misunderstood/prejudiced, and incorrect information is dangerous.

>>

>> Since the current and approved CCSD Social Media Policy policy appears to be consistently observed by Board Members, but not by all committee members, an annual review of the policy with committee members could be beneficial.

>>

>> Thank you.
