<b>Written Public Comment:</b>	The dog park was constructed and used prior to its restroom being approved and built so the same process can be applied to the skate park. It's getting very suspicious at this point and feels like SOMEONE is purposely slowing this down — and costs will just grow. We need the Board and the town to push forward on this project. Raise a loud, repeating voice to whomever is gumming up the works - and don't let up on the pressure until all mysteries are solved. Lauren Younger

Hi Lauren,

As mentioned yesterday, all written comments submitted in advance shall be compiled and posted on the District's website 24 hours before the meeting. Written comments will be posted on their respective Board meeting pages at the link below:

<https://www.cambriacsd.org/board-meetings>

The Guidelines for Handling Written Public Comments During Cambria Community Services District Board Meetings are available on the District's website at:

<https://www.cambriacsd.org/written-public-comments>

I will include your comment with the other submissions provided to the Board of Directors.

Thank you,

Haley

I am asking that the written comments be posted as they come in to the ccscd. What is your process for doing this? Is there some reason you cannot do this? I will ask the directors to direct this be done for the community. Thank you, Haley.

I am having trouble finding the written comments on your website. Please instruct me how to find them.  
Thanks
