ERRATA SHEET FOR MINOR CORRECTIONS TO 2020 URBAN WATER MANAGEMENT PLAN

This errata sheet logs minor content errors that were identified after final adoption of the Cambria Community Services District 2020 UWMP. DWR has determined that these corrections are minor and do not require the UWMP to be amended.
$\square$ These data errors have been corrected in the Department of Water Resources (DWR) UWMP database at https://wuedata.water.ca.gov/secure/
$\square$ This errata sheet has been filed with the UWMP in all locations where it is made publicly available, including the California State Library. Errata may be submitted to State Library via email to cslgps@library.ca.gov

The actions identified in this table represent allowable entries by DWR in submittal table 8-2 for the UWMP.
Stage 4 - Water use allocations are assigned as outlined below.

- Permanent resident: 3 units per month.
- Commercial water use allocation: 3 units per EDU or fraction thereof; or average of last 12 months water use, whichever is less
- Vacation rental allocation: 3 units per month.

Stage 5 \& 6 - Penalty charges for violation of water use allocations. Water use that exceeds allocation by less than $25 \%$ will be subject to a five-hundred percent ( $500 \%$ ) surcharge levied on all usage above the customer's allocation. Water use that exceeds allocation by more than $25 \%$ will be subject to a one-thousand percent ( $1000 \%$ ) surcharge levied on all usage above the customer's allocation. Water use allocations are outlined below.

- Permanent resident: 2 units per month.
- Commercial water use allocation: 2 units per EDU or fraction thereof; or $75 \%$ of average of last 12 months water use, whichever is less
- Vacation rental allocation: 2 units per month.

The CCSD Board may further refine the above subject restrictions and prohibitions.
