

Free Chipping for Cambria Residents

Reduce your fire risk by reducing combustible vegetation around your property.

Be Ready for Chippers by July 31st, 2021

Sign up now for free chipping during the FireSafe Community Cleanup and Chipping Event, Gather up your material for chipping by, **July 31st.**

Chipping will commence on Monday August 2nd.

The SLO County Fire Safe Council contracted crews, with support from Cambria CSD Fire, and Cambria Community Emergency Response Team (CERT).

Our chipping team will chip vegetation on your property, helping to make your home and the community safer. This is a free event for Cambria area residents.

Please complete the form below and return it to the Cambria Fire Station, 2850 Burton Drive, **no later than July 30th to pick up your flagging tape.** Call (805) 927-6240 for more information.

Thank You!

Criteria:

- Material **must be less than 5-inches in diameter and no longer than 7- feet.**
- Material must be marked with flagging tape (provided at the Fire Department) and **placed at the street edge near the pile by July 30th.**
- Only limbs and like material may be chipped. **No grass, leaves, pine needles, sawed lumber or building materials.**
- All chipped material will be blown back curbside. Please identify with signs or tarps a spot different from the original pile.
- If your pile for chipping is larger than a Small SUV then please contact us ahead of time.
- **Sorry, we cannot schedule a precise time for arrival.**
