

*Donate & hunt
for treasure!*

North Coast: Morro Bay, Los Osos, Cayucos & Cambria
Saturday, September 26th - Sunday, September 27th

HOW IT WORKS:

1. Post your treasure on the community-wide treasure map

Post clean, functional items that you no longer want, such as furniture, bikes, houseware or yard items. Posting is open for one week before the event, from **Thursday, September 17th - Thursday, September 24th**

2. Place items on the curb

Leave items on the curb during the program weekend of **Saturday, September 26th - Sunday, September 27th**

3. Use the map to hunt for treasure

Use the interactive, online treasure map to view what your neighbors have posted and go out to retrieve treasure that you want during the program weekend. If your items are not retrieved over the weekend, you may schedule a bulky item pick-up with Waste Connections.
