Webinar ID: 951 1031 4212

International numbers available: <https://zoom.us/j/95110314212>

1. OPENING

- A. Call to Order
- B. Pledge of Allegiance
- C. Establishment of Quorum
- D. Report from Closed Session
- E. President's Report
- F. Agenda Review: Additions/Deletions

2. BOARD MEMBER COMMUNICATIONS

Any Board Member may make an announcement, report briefly on his or her activities, or ask a question for clarification.

3. PUBLIC SAFETY

- A. Sheriff's Department Report

B. CCSD Fire Chiefs Report

4. PUBLIC COMMENT

Members of the public may now address the Board on any item of interest within the jurisdiction of the Board but not on its agenda today. Future agenda items can be suggested at this time. In compliance with the Brown Act, the Board cannot discuss or act on items not on the agenda. Each speaker has up to three minutes.

5. CONSENT AGENDA

All matters on the consent calendar are to be approved by one motion. If Directors wish to discuss a consent item other than simple clarifying questions, a request for removal may be made. Such items are pulled for separate discussion and action after the consent calendar as a whole is acted upon.

- A.** Consideration to Adopt the April 2021 Expenditure Report
- B.** Consideration to Adopt the April 8, 2021 and April 15, 2021 Regular Meeting Minutes and April 13, 2021 and April 28, 2021 Special Meeting Minutes
- C.** Consideration to Adopt Resolution 14-2021 Regarding the Continued Local State of Emergency Declaration
- D.** Consideration to Direct Staff to Issue a Request For Proposal (RFP) for Zone 2 to 7 Transmission Main Santa Rosa Creek Pedestrian Bridge Project

6. REGULAR BUSINESS

- A.** Discussion and Consideration to Introduce Ordinance 01-2021 Amending Article IV of Title 3, Section 3.04.030 of the Cambria Community Services District Municipal Code Changing Reference to the Sustainable Water Facility (SWF) to the Water Reclamation Facility (WRF)
- B.** Discussion and Consideration Regarding the Parks, Recreation, and Open Space (PROS) Commission Project Recommendations for the Community Park Restroom Design
- C.** Discussion and Consideration of Third Quarter Budget Report for FY 2020/21 and Adoption of Resolution 15-2021 Amending the Fiscal Year 2020/21 Budget
- D.** Discussion and Consideration of Strategic Plan Status Report and Update
- E.** Discuss and Consider Urban Water Management Plan (UWMP) Demand Components and Proposed Water Shortage Stages of the 2020 Water Shortage Contingency Plan (WSCP)

7. MANAGER REPORTS

- A.** Public Comment: The President will be asking for public comment before the reports.
- B.** General Manager's Report
- C.** Finance Manager's Report
- D.** Utilities Report

8. FUTURE AGENDA ITEM(S)

This is an opportunity to request a formal agenda report be prepared and the item placed on a future agenda. No formal action can be taken except to direct the General Manager to place a matter of business on a future agenda by majority vote.

9. ADJOURN

CAMBRIA COMMUNITY SERVICES DISTRICT
BOARD OF DIRECTORS REGULAR MEETING MINUTES
Thursday, April 8, 2021 2:00 PM

1. OPENING

A. Call to Order

President Steidel called the meeting to order at 2:00 p.m.

B. Pledge of Allegiance

President Steidel led the Pledge of Allegiance.

C. Establishment of Quorum

A quorum was established.

Directors present via Zoom: Cindy Steidel, Donn Howell, Harry Farmer, Karen Dean and Tom Gray.

Staff present via Zoom: General Manager John F. Weigold, IV, District Counsel Timothy Carmel, Finance Manager Pamela Duffield, Fire Chief William Hollingsworth, Facilities & Resources Supervisor Carlos Mendoza, Utilities Department Manager/District Engineer Ray Dienzo and Board Secretary Ossana Terterian.

D. President's Report

President Steidel wanted to talk about a special meeting to take place on Tuesday, April 13th, 2021 in order to discuss submittal for appropriations request to Carbajal's office. Fortunately, there are a few projects that are regarding water and wastewater. The opportunity is to get potential funding and the deadline for submittal is April 16, 2021.

President Steidel also discussed Flume Smartwater system rebates. Whoever applies should follow the link on our website to purchase directly from Flume. It's an excellent opportunity to use this program as part of our water conservation opportunity. Participants will receive a rebate and cost will be \$50. There are 121 rebates per General Manager Weigold.

President Steidel referred to her report submittal to cambriaca.org. She urged all to read the report.

E. Agenda Review: Additions/Deletions

President Steidel asked for any additions or deletions. There were none.

2. BOARD MEMBER COMMUNICATIONS

President Steidel explained this new item addition, "Board Member Communications," where Board Members can make a comment if they have local items of interest, information, or announcements. She opened it up to Board Members. Director Farmer pointed out the need for water conservation not only for the residents, but for the businesses in the area, and that members of the community and the Board need to address it.

3. COMMISSION REPORT

A. PROS Chairman's Report

PROS Commission Chairman Steve Kniffen provided a report on the Skatepark.

Public Comment:

Elizabeth Bettenhausen, Cambria

Juli Amodei, Cambria

Michael Calderwood, Cambria

4. PUBLIC COMMENT

Public Comment:

Ted Key, Cambria

Elizabeth Bettenhausen, Cambria

Cheryl McDowell, Cambria (submitted a written comment for the record)

5. REGULAR BUSINESS

A. Discussion and Consideration of Rescheduling the Dates for the Six Month Strategic Plan Review with Marilyn Snider

Mr. Weigold introduced the item and provided a brief summary. He asked to table it to the next meeting since he has not yet heard from Marilyn Snider regarding any future dates.

The Board of Directors tabled this item to a future meeting.

Public Comment:

Elizabeth Bettenhausen, Cambria (submitted a written comment for the record)

Christine Heinrichs, Cambria (submitted a written comment for the record)

B. Discussion and Consideration Regarding the Implementation Report Relating to the Renaming of the Facility Formerly Known as the Sustainable Water Facility (SWF) to the Water Reclamation Facility (WRF)

Mr. Weigold introduced the item and provided a brief summary.

Public Comment:

Elizabeth Bettenhausen, Cambria (submitted a written comment for the record)

Jim Townsend, Cambria

Christine Heinrichs, Cambria (submitted a written comment for the record)

Susan Ladrie-Mackey, Cambria (submitted a written comment for the record)

Vice President Howell moved to accept the plan as presented by staff and instruct them to proceed.

Director Gray seconded the motion.

Motion Passed Ayes – 4 (Steidel, Howell, Dean, Gray) Nays– 1 (Farmer) Absent – 0

President Steidel suggested a break from 3:19pm to 3:22pm.

6. BOARD MEMBER, COMMITTEE AND LIAISON REPORTS

A. Public Comment: The President will be asking for Public Comment before the Reports

Public Comment:

Elizabeth Bettenhausen, Cambria (submitted a written comment for the record)

Christine Heinrichs, Cambria (submitted a written comment for the record)

Laura Swartz, Cambria

B. Finance Committee's Report

Director Gray had already submitted a report as part of the agenda.

C. Policy Committee's Report

Vice President Howell reported that they met and elected vice chair and secretary and have been developing a work plan.

D. Resources and Infrastructure Committee's Report

Director Dean reported that they've met twice since last meeting and elected vice chair and secretary. They updated two ad hoc committees needed for the objective for the Strategic Plan and those two committees will be giving a draft report at the meeting on April 19th.

E. Other Liaison Reports and Ad Hoc Committee Reports

Director Farmer reported from the February FFRP meeting – appointed two new board members. He also read the mission statement of the FFRP. He talked about trees being cut down but not replaced.

Director Dean discussed the NCAC special guest speaker from Caltrans had shown a slide of the Rat Creek repairs being done with an update that Highway 1 will be opened in July of this year.

Director Gray stated that the reopening date was April 30th according to an earlier announcement that day. All information is on the NCAC website. Also, elections are coming up from the uneven numbered areas for NCAC representatives and alternates. Next meeting will be April 21, 2021.

7. FUTURE AGENDA ITEM(S)

President Steidel asked for any future agenda items. There was discussion, but no new future agenda items were approved.

Director Dean asked about a discussion on how to deal with comments.

President Steidel suggested that she and Vice President Howell meet and come to a resolution regarding submission of reports.

Director Farmer stated that the CCSD website didn't show water saving tips. Give consideration to amount of water allocated that needs to go to commercial as well as residential. Also educating the people visiting about conserving water whether on vacation or at home.

Director Dean stated that she is working on an agenda item regarding water conservation and that will be in the agenda in May, and will also be discussing same at the upcoming R & I meeting. She stated that she went to the website earlier and was able to find information on water saving tips very easily.

Director Gray also stated that he is on a committee and working on getting information that is readily accessible on the website. He stated that the Governor held a press announcing a \$536 million package for State Wildfire prevention and protection incorporated in two bills. He'd like to direct staff to come back and see what funding is available. Also, to follow up on getting reports in - and maybe scheduling the reports during the first meeting of the month and staggering it between the two meetings. He'd also like to see what resources are available now to forecast the condition of the aquifers during the dry season. President Steidel stated that there is already years of data recorded.

8. ADJOURN

President Steidel adjourned the meeting at 4:01 p.m.

For further detail on the CCSD meeting, please visit the district's website to review the meeting recording or visit SLO-Span's website: <https://slo-span.org/static/meetings-CCSD.php>. CCSD written comments can be reviewed on the district's meeting webpage.

CAMBRIA COMMUNITY SERVICES DISTRICT
BOARD OF DIRECTORS SPECIAL MEETING MINUTES
Tuesday, April 13, 2021 2:00 PM

1. OPENING

A. Call to Order

President Steidel called the meeting to order at 2:00 p.m.

B. Pledge of Allegiance

President Steidel led the Pledge of Allegiance.

C. Establishment of Quorum

A quorum was established.

Directors present via Zoom: Cindy Steidel, Donn Howell, Harry Farmer, Karen Dean and Tom Gray.

Staff present via Zoom: General Manager John F. Weigold, IV, District Counsel Timothy Carmel, Finance Manager Pamela Duffield, Fire Chief William Hollingsworth, Facilities & Resources Supervisor Carlos Mendoza, Utilities Department Manager/District Engineer Ray Dienzo and Board Secretary Ossana Terterian.

2. PUBLIC COMMENT ON AGENDA ITEMS

Public Comment: There was none.

3. REGULAR BUSINESS

A. Discussion and Consideration of Rescheduling the Dates for the Six Month Strategic Plan Review with Marilyn Snider

Public Comment: There was none.

Ms. Duffield introduced the item and provided a summary. The dates that Ms. Snider is available are August 3rd and August 10th, with a date set before each of those dates to have a public comment meeting. Ms. Duffield suggested the August 3rd date, since the August 10th date might interfere with upcoming regular board meeting preparation. Staff recommended July 30th for public comment and August 3rd for the strategic meeting date.

Director Gray moved to choose the August 3rd date for the Six Month Strategic Plan Review.

Vice President Howell seconded the motion.

Motion Passed Ayes – 4 (Steidel, Howell, Dean, Gray) Nays– 1 (Farmer) Absent – 0

B. Discussion and Consideration of Projects to be Proposed For Community Project Funding Via Congressman Carbajal.

Ms. Duffield introduced the item and provided a summary. She turned it over to Ray Dienzo, who gave a bit more information about each of the projects, with the intention to apply for all 4 projects.

Public Comment:

Ted Key, Cambria

Tina Dickason, Cambria

Director Dean moved to submit all 4 projects to Congressman Carbajal.

Director Gray seconded the motion.

President Steidel brought up the subject that the application process also requires letters of support from two elected officials.

Director Gray moved to add a friendly amendment to include submission of letter from President Steidel.

Director Dean accepted the friendly amendment.

Motion Passed Unanimously Ayes – 5 (Steidel, Howell, Farmer, Dean, Gray) Nays– 0 Absent – 0

4. ADJOURN

President Steidel adjourned the meeting at 2:45 p.m.

For further detail on the CCSD meeting, please visit the District's website to review the meeting recording or visit SLO-Span's website: <https://slo-span.org/static/meetings-CCSD.php>. CCSD written comments can be reviewed on the District's meeting webpage.

CAMBRIA COMMUNITY SERVICES DISTRICT
BOARD OF DIRECTORS REGULAR MEETING MINUTES
Thursday, April 15, 2021 2:00 PM

1. OPENING

A. Call to Order

President Steidel called the meeting to order at 2:00 p.m.

B. Pledge of Allegiance

President Steidel led the Pledge of Allegiance.

C. Establishment of Quorum

A quorum was established.

Directors present via Zoom: Cindy Steidel, Donn Howell, Harry Farmer, Karen Dean and Tom Gray.

Staff present via Zoom: General Manager John F. Weigold, IV, District Counsel Timothy Carmel, Finance Manager Pamela Duffield, Fire Chief William Hollingsworth, Facilities & Resources Supervisor Carlos Mendoza, Utilities Department Manager/District Engineer Ray Dienzo and Board Secretary Ossana Terterian.

D. President's Report

President Steidel stated that the "Board Member, Committee and Liaison Reports" be moved from the second meeting of the month to the first meeting of the month. The "Manager Reports" will continue to be included in the second meeting of the month.

President Steidel also asked that everyone keep their microphones muted, as was the practice at the Vets Hall in the past, until they are ready to speak and also to raise their hands virtually.

E. Agenda Review: Additions/Deletions

President Steidel asked for any additions or deletions. There were none.

2. BOARD MEMBER COMMUNICATIONS

Director Dean reported that the NCAC will have a meeting next week and Craig Ufferheide would be talking about CERT and volunteering opportunities; she also talked about upcoming NCAC elections and how to get involved.

Director Farmer talked about the polystyrene ban and stated that it was effective as of April 15, 2021.

A. Consideration to Adopt the March 2021 Expenditure Report

B. Consideration to Adopt the March 11, 2021 and March 18, 2021 Regular Meeting Minutes

C. Consideration of Adoption of Resolution 10-2021 Declaring a Public Nuisance for the Annual Fire Hazard Reduction Program

D. Consideration to Adopt Resolution 11-2021 Regarding the Local State of Emergency Declaration

Director Gray moved to approve the consent agenda items A, B, C and D.

Director Dean seconded the motion.

Motion Passed Unanimously Ayes – 5 (Steidel, Howell, Farmer, Dean, Gray) Nays– 0 Absent – 0

6. HEARINGS AND APPEALS

A. Discussion and Consideration to Fix Water & Wastewater Standby or Availability Charges as Provided in Government Code §61124(b) and Consideration of Adoption of Resolution 12-2021 Fixing Water and Wastewater Standby or Availability Charges for Fiscal Year 2021/2022

General Manager Weigold introduced the item and provided a summary.

President Steidel opened the public hearing.

Public Comment:

Elizabeth Bettenhausen, Cambria

President Steidel closed the public hearing.

Director Dean moved to adopt Resolution 12-2021 Fixing Water and Wastewater Standby or Availability Charges for Fiscal Year 2021/2022.

Vice President Howell seconded the motion.

Motion Passed Unanimously Ayes – 5 (Steidel, Howell, Farmer, Dean, Gray) Nays– 0 Absent – 0

7. REGULAR BUSINESS

A. Discussion and Consideration of Strategic Plan Status Report and Update

General Manager Weigold introduced the item and provided a summary.

Public Comment:

Christine Heinrichs, Cambria (submitted a written comment for the record)

Director Gray asked about an item status on the report that was blank. General Manager Weigold stated that until item 1 was finished, the second item in question will not have any information.

Director Dean stated that two of the ad hoc committees met and have developed a draft report that will go to the R & I Committee on Monday. The report will be forwarded to the Board in May.

Director Gray moved to accept the Strategic Plan Status Report.

Director Dean seconded the motion.

Motion Passed Ayes – 4 (Steidel, Howell, Dean, Gray) Abstain (Farmer) Nays– 0 Absent – 0

B. Discussion and Consideration of Request For Proposal (RFP) for the Instream Flow Study Task 1

Mr. Weigold introduced the item and turned it over to Mr. Dienzo who provided a summary.

Public Comment:

Christine Heinrichs, Cambria
Elizabeth Bettenhausen, Cambria
Tina Dickason, Cambria

Vice President Howell moved to accept the Request for Proposal (RFP) for the Instream Flow Study Task 1.

Director Gray seconded the motion.

Motion Passed Unanimously Ayes – 5 (Steidel, Howell, Farmer, Dean, Gray) Nays– 0 Absent – 0

C. Discussion and Consideration of an Agreement for Consultant Services with National Demographics Corporation

General Manager Weigold introduced the item and turned it over to District Counsel, who provided a summary.

Public Comment:

Michael Lyons, Cambria

Ted Key, Cambria

Elizabeth Bettenhausen, Cambria

Christine Heinrichs, Cambria (submitted a written comment for the record)

Craig Smith, Cambria

Susan Ladrie-Mackey, Cambria (submitted a written comment for the record)

Tina Dickason, Cambria

Claudia Harmon, Cambria

Karen Pearson, Cambria

Director Gray moved to approve the Agreement for Consultant Services with National Demographics Corporation.

Vice President Howell seconded the motion.

Motion Passed Unanimously Ayes – 5 (Steidel, Howell, Farmer, Dean, Gray) Nays– 0 Absent – 0

President Steidel requested a break from 4:04 p.m. to 4:10 p.m.

8. MANAGER REPORTS

A. Public Comment: The President will be asking for Public Comment before the reports

Public Comment: None

B. General Manager's Report

Mr. Weigold provided a summary of the General Manager's Report.

C. Finance Manager's Report

Ms. Duffield provided a summary of the Finance Manager's Report.

D. Utilities Report

Mr. Dienzo provided a summary of the Utilities Report.

Director Farmer moved to extend the meeting to 5:15 p.m.

Director Dean seconded the motion.

Motion Passed Unanimously Ayes – 5 (Steidel, Howell, Farmer, Dean, Gray) Nays– 0 Absent – 0

9. BOARD MEMBER, COMMITTEE AND LIAISON REPORTS

- A.** Public Comment: The President will be asking for Public Comment before the reports

Public Comment:
Elizabeth Bettenhausen, Cambria

- B.** Finance Committee's Report

Director Gray submitted a written report from the Finance Committee.

- C.** Policy Committee's Report

Vice President Howell reported that the Policy Committee will probably be sending reports to the Board as they are completed.

- D.** Resources and Infrastructure Committee's Report

Director Dean reported that the R & I Committee will have written reports in the next agenda packet.

- E.** Other Liaison Reports and Ad Hoc Committee Reports

Director Farmer stated that Forest Committee had it's first meeting in April and wanted to mention a couple of items. He stated that the Forest Management Committee meeting information was in the packet. He suggested that getting an ecologist or forest manager to discuss forest issues, but unsure if it should be CCSD or the whole community – in how to best pursue various fire conditions. He asked director Gray to also discuss.

Director Gray reported that the Ad Hoc Committee on Policies is underway and they are prioritizing a big list – starting with looking at Purchasing Policy as a test case in how to proceed with other policies. Hopefully it will have a report to the Board in a couple of months. The Forest Management Committee would be in an information gathering phase about what might be needed to come up with a feasible policy that meets the CCSD needs for managing its own properties, including vacant lots. There are a number of issues, including how to pay for it, who to involve, and what management plan to follow.

10. FUTURE AGENDA ITEM(S)

President Steidel asked for any future agenda items. There were none.

11. ADJOURN

President Steidel adjourned the meeting at 5:15 p.m.

For further detail on the CCSD meeting, please visit the District's website to review the meeting recording or visit SLO-Span's website: <https://slo-span.org/static/meetings-CCSD.php>. CCSD written comments can be reviewed on the District's meeting webpage.

CAMBRIA COMMUNITY SERVICES DISTRICT
BOARD OF DIRECTORS SPECIAL MEETING MINUTES
Wednesday, April 28, 2021 10:00 AM

1. OPENING

A. Call to Order

President Steidel called the meeting to order at 10:00 a.m.

B. Pledge of Allegiance

President Steidel led the Pledge of Allegiance.

C. Establishment of Quorum

A quorum was established.

Directors present via Zoom: Cindy Steidel, Donn Howell, Harry Farmer, Karen Dean and Tom Gray.

Staff present via Zoom: General Manager John F. Weigold, IV, District Counsels Timothy Carmel and Alan Fenstermacher, Finance Manager Pamela Duffield, and Board Secretary Ossana Terterian.

2. PUBLIC COMMENT ON AGENDA ITEMS

Public Comment: There was none.

3. ADJOURN TO CLOSED SESSION

A. Public Comment

**B. CONFERENCE WITH LEGAL COUNSEL - EXISTING LITIGATION Pursuant to Government Code Section 54956.9(d)(1)
Name of Case: Windeler v. CCSD, et al.**

CAMBRIA COMMUNITY SERVICES DISTRICT

TO: Board of Directors

AGENDA NO. **5.C.**

FROM: John F. Weigold, IV, General Manager

Meeting Date: May 20, 2021	Subject: Consideration of Adoption of Resolution 14-2021 Regarding the Continued Local State of Emergency Declaration
----------------------------	---

RECOMMENDATIONS:

It is recommended that the Board of Directors consider adoption of Resolution 14-2021 declaring a continued local state of emergency in the Cambria Community Services District due to the coronavirus pandemic.

FISCAL IMPACT:

The District continues to work with customers challenged with paying for their water and wastewater utility services, due to the impact of the COVID-19. Listed below is a recap of the billing cycle, the number & dollar amount of late customers and the number & dollar amount of customers on a payment plan, as of May 4, 2021:

Billing Cycle	Late #	\$	Pmt Pln	\$
Nov-Dec 2019	0	-	0	-
Jan-Feb 2020	1	70.81	0	-
Mar-Apr 2020	3	606.10	0	-
May-June 2020	3	630.20	0	-
Jul-Aug 2020	16	5,037.43	0	-
Sep-Oct 2020	16	3,757.36	0	-
Nov-Dec 2020	24	7,703.68	1	196.98
Jan-Feb 2021	92	34,129.19	8	3,560.23
	155	51,934.77	9	3,757.21

The overall fiscal impacts and any potential FEMA grant reimbursement associated with the COVID-19 are unknown at this time.

DISCUSSION:

As the Board is aware, the State and County of San Luis Obispo have adopted a number of executive orders declaring a public health emergency and imposing restrictions on the general population to help control the spread of the COVID-19 virus. The Board of Directors adopted Resolution 52-2020 on November 19, 2020, which requires the Board to determine whether a local state of emergency continues to exist once a month. As the COVID-19 virus continues to ravage the State and country, it is recommended that the Board adopt Resolution 14-2021 declaring a continued local state of emergency.

Attachment: Resolution 14-2021

**RESOLUTION 14-2021
May 20, 2021**

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CAMBRIA COMMUNITY SERVICES DISTRICT DECLARING A CONTINUED LOCAL STATE OF EMERGENCY DUE TO THE CORONAVIRUS (COVID 19) PANDEMIC

WHEREAS, on March 23, 2020 The Board of Directors (“Board”) adopted Resolution 09-2020 declaring a state of emergency to exist in the Cambria Community Services District as a result of the coronavirus pandemic; and

WHEREAS, on November 20, 2020, the Board adopted Resolution 52-2020, which requires the Board to determine whether a local state of emergency continues to exist within the District once per month.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Board of Directors of the Cambria Community Services District that a local state of emergency continues to exist in the Cambria Community Services District as a result of the coronavirus pandemic.

PASSED AND ADOPTED THIS 20th day of May 2021.

Cindy Steidel, President
Board of Directors

ATTEST:

APPROVED AS TO FORM:

Ossana Terterian
Board Secretary

Timothy J. Carmel
District Counsel

CAMBRIA COMMUNITY SERVICES DISTRICT

TO: Board of Directors

AGENDA NO. **5.D.**

FROM: John F. Weigold IV, General Manager

Meeting Date: May 20, 2021

Subject: Consideration to Direct Staff to Issue a Request for Proposal (RFP) for Zone 2 to 7 Transmission Main Santa Rosa Creek Pedestrian Bridge Project

RECOMMENDATIONS:

Staff recommends that the Board of Directors direct staff to issue a Request for Proposal (RFP) for the Zone 2 to 7 Transmission Main Santa Rosa Creek Pedestrian Bridge Project.

FISCAL IMPACT:

The FY 2020-21 adopted Water Fund – Water Operations budget includes \$215,527, for the Zone 2 to 7 Transmission Main Santa Rosa Creek Pedestrian Bridge Project. There is no budget adjustment required at this time.

DISCUSSION:

The project will replace a broken high-pressure water pipeline which was temporarily bypassed in 2017. The abandoned pipeline, which runs underground behind the Bluebird Inn property, will be left in place and the temporary pipeline, located on the pedestrian bridge crossing Santa Rosa Creek, will be removed. The replacement pipeline will be approximately 160 linear feet long and will be hung on the outside of the bridge hand railing on the downstream side.

This project is a Priority 1 item on the District's Capital Improvement Plan for the Water Department. Due to permitting constraints, project implementation has been delayed for several years. The District has obtained approval to proceed with the project from the California Department of Fish and Wildlife (CDFW) through their Lake or Streambed Alteration Notification Program. Part of this project approval includes completing all work in the creek by August 15th to prevent impacts to listed species. As such, expedient project completion is paramount.

In 2017, the CCSD District Engineer provided an engineering estimate of \$120,000 for this work, putting the project under the informal bidding threshold per the California Uniform Public Construction Cost Accounting Act. The General Manager is authorized to award informal contracts pursuant to section 1.06.010.D of the CCSD Municipal Code. Should all of the bids received under this RFP exceed the informal bidding threshold (\$200,000), staff will return to the Board for approval to award the contract or rebid under formal procedures.

The RFP will follow the District's standard public works format and be reviewed and approved by District Counsel prior to release. Staff plans to issue the RFP in May in order to award the contract and begin work in June.

CAMBRIA COMMUNITY SERVICES DISTRICT

TO: Board of Directors

AGENDA NO. **6.A.**

FROM: John F. Weigold IV, General Manager
Timothy J. Carmel, District Counsel

Meeting Date: May 20, 2021

Subject: Discussion and Consideration to
Introduce Ordinance 01-2021
Amending Article IV of Title 3, Section
3.04.030 of the Cambria Community
Services District Municipal Code
Changing Reference to the Sustainable
Water Facility (SWF) to the Water
Reclamation Facility (WRF)

RECOMMENDATIONS:

Staff recommends that the Board of Directors introduce Ordinance No. 01-2021, which will amend Section 3.04.030 of the Cambria Community Services District Municipal Code. In order to proceed, the Board should move to introduce Ordinance 01-2021 by title only and waive further reading.

FISCAL IMPACT:

With the exception of staff time, there is no fiscal impact to the District by amending Section 3.04.030 of the Cambria Community Services District Municipal Code.

DISCUSSION:

At the March 11, 2021 Board meeting, the Board voted 5-0 to change the name of the facility from SWF to WRF. The Board also requested staff to return with a list of impacts, resulting from this change in name. This action, through the adoption of this Ordinance, is one of several items that staff outlined at the April 8, 2021 Board meeting as requiring action due to the name change.

Attachment: Ordinance No. 01-2021

ORDINANCE NO. 01-2021

CAMBRIA COMMUNITY SERVICES DISTRICT
BOARD OF DIRECTORS

DATED: June 10, 2021

AN ORDINANCE AMENDING SECTION 3.04.030 OF THE
CAMBRIA COMMUNITY SERVICES DISTRICT MUNICIPAL CODE
RELATING TO THE WATER RECLAMATION FACILITY

The Board of Directors of the Cambria Community Services District Ordains as follows:

Section 1. Section 3.04.030 of the Cambria Community Services District Municipal Code is hereby amended in its entirety to read as follows:

3.04.030 – Relief from fees and charges in special circumstances.

- A. Notwithstanding any other provision of any ordinance adopted by this district, the board of directors may grant relief from the payment of fees and charges applicable to the provision of water and sewer services.
- B. Such relief may only be granted after formal application to the district, in a form and manner as may be established by the general manager, has been made and filed. The application shall contain all information deemed necessary by the general manager, including the facts and circumstances surrounding the natural disaster and the particular relief sought. Any relief granted shall not be retroactive beyond the billing period immediately preceding the date of application.
- C. The board shall not be obligated to grant relief in any particular application but may do so in order to achieve equity and fairness.
- D. In addition to the provisions contained in subsections A through C herein, the general manager may, in his or her discretion, grant relief from the payment of water and sewer service fees and charges that are the result of leaks, if he or she finds and determines that:
 - 1. A water leak was not the fault of the customer and was discovered and repaired by the customer in a reasonable amount of time; and
 - 2. That the leak resulted in usage that is more than twice the normal usage for the property.
 - 3. The general manager may authorize the following actions:

- a. Normal water usage charges for all water used in excess of normal usage may be charged at the lowest tier rate (i.e., the rate for usage in the 1—4 unit category); and
- b. Water Reclamation Facility (WRF) usage charges and WRF operating charges for all water used in excess of normal usage may be waived completely; and
- c. If the leak does not go through the sewer system, the amount of the excess sewer fee for the billing period can be waived and the customer charged only the normal sewer fee charged in previous billing periods; and
- d. If surcharges/penalties are being imposed, all surcharges/penalties can be waived for water used in excess of normal usage; and
- e. The general manager and a customer can agree to a "payment plan" to spread payments out for up to twelve (12) months.
- f. "Normal usage" shall be the usage for the same billing period in the previous year. If the customer does not have usage for that period, normal usage shall be the usage for the last billing period that was not affected by the leak prior to the billing period being considered. If the customer has no usage history, the general manager will determine an appropriate usage amount.
- g. An applicant for relief under this section may appeal the general manager's decision to the board of directors. A request for appeal must be submitted to the district in writing not more than ten (10) days after the general manager's decision.

Section 2. A summary of this Ordinance shall be published in a newspaper published and circulated in the District at least five (5) days prior to the Board of Directors meeting at which the proposed Ordinance is to be adopted. A certified copy of the full text of the proposed Ordinance shall be posted in the office of the Board Secretary. Within fifteen (15) days after adoption of the Ordinance, the summary with the names of those Board members voting for and against the Ordinance shall be published again, and the Board Secretary shall post a certified copy of the full text of such adopted Ordinance.

Section 3. This Ordinance shall take effect and be in full force and effect thirty (30) days after its passage.

Section 4. If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The Board of Directors hereby declares that it would have passed this Ordinance and each and every section, subsection, sentence, clause, or phrase not declared invalid or unconstitutional without regard to whether any portion of this Ordinance would be subsequently declared invalid or unconstitutional.

The foregoing Ordinance was adopted at a regular meeting of the Board of Directors of the Cambria Community Services District held on the 10th day of June, 2021.

CAMBRIA COMMUNITY SERVICES DISTRICT

TO: Board of Directors

AGENDA NO. **6.B.**

FROM: John F. Weigold IV, General Manager

Meeting Date: May 20, 2021	Subject: Discussion and Consideration Regarding the Parks, Recreation and Open Space (PROS) Commission Project Recommendations for the Community Park Restroom Design
----------------------------	---

RECOMMENDATIONS:

Staff recommends that the Board discuss and consider the Parks, Recreation and Open Space (PROS) Commission’s recommendations for the community park restroom design on the East Ranch.

FISCAL IMPACT:

The FY 2020-21 adopted General Fund PROS budget was amended to receive the San Luis Obispo County Beautification Grant, in the amount of \$20,000 for the design of this project.

The cost of proceeding with this PROS Commission recommended project would require a future budget amendment, for the next phase of the project.

DISCUSSION:

The PROS Commission has been working with District staff and Civil Design Studio on the design for a restroom facility on the East Ranch next to the current Dog Park facility.

Staff also recommends the Board receive a report from Civil Design Studio and comments and recommendations from the PROS Commission and District staff, and provide guidance in order to proceed with planning and design.

Bathroom Comparison Table	4
Bathroom Type Descriptions	5
Composting toilet.....	5
Pit toilet.....	5
Reduced potable water, Conventional toilets	6
Full potable water, Conventional toilets.....	6

Introduction

This document has been prepared for use as an aid to the PROS/CCSD to determine the type of bathroom design to pursue. The information below has been compiled from sales representatives from several common premanufactured bathroom companies as well as professional engineering experience and research.

Four options have been researched and compared in a summary table on the following page. They range from lowest possible water use to highest water use. The highest water use (full potable water) is also known as a standard public restroom. Therefore, the full potable water option is the benchmark to which the alternate options are compared to. More detailed descriptions of each of the four options are included later in this document. Please note that none of the options are truly waterless. Water is trucked in for cleaning on the two low water units. This comes at an additional expense and additional environmental impact.

Site Location and Existing Conditions

The proposed project is located on Rodeo Grounds Rd. The site is previously developed with a dog park and parking lot. Existing infrastructure exists at the site including sewer main, potable water, and non-potable water.

Bathroom Comparison Table

Topic		Compost Toilet	Pit Toilet	Reduced Potable Water	Full Potable Water
Water Use	Flushing	-	-	Recycled Water	Potable Water
	Hand Washing	-	-	Potable Water	Potable Water
	Cleaning	Trucked in Water (outsourced water)	Trucked in Water (outsourced water)	Potable or Recycled Water	Potable Water
Additional Inputs		Compost aid Water Trucking	Chemicals, Water Trucking	-	-
Hand Washing Chemicals		Yes	Yes	Optional	Optional
Cost	Initial	-	Additional Foundation expense	-	-
	Maint.	Extra High	High	-	-
Additional Maintenance Functions		Frequent inspections, empty compost, maintain coconut fiber storage	Regular pumping, Filling pit with water/chemicals	-	-
Use	Ease of Use	Requires instructions	-	-	-
	Speed of Use	Slow	-	-	-
	Public Perception	Uncommon, the general public does not favor	Additional odor, Waste visible during flushing	-	-
	Hygiene	Often viewed as unsanitary	Often viewed as unsanitary, unpleasant	-	-
	Ventilation	Often ventilation Issues	Black pipes direct airflow upwards. Often ventilation issues	-	-
Environmental Consideration		If no drain, cleaning chemicals would drain to outside and into landscaping. Additional trucking imports water from another site	If no drain, cleaning chemicals would drain to outside and into landscaping, Additional trucking imports water from another site	Water use for flushing/hand washing (cleaning water is equal)	Water use for flushing/hand washing (cleaning water is equal)

Bathroom Type Descriptions

Due to the concern of water use in the community, below you will find a summary of 4 available options for public bathroom design based on water use ranging from low water use to high water use.

Composting toilet

Composting toilets collect solid waste in a compartment that requires regular mixing with organic material such as coconut fiber or peat moss to aid in the aerobic decomposition process. Liquid waste is typically collected in a container and emptied separately. Hand cleaning would likely be accomplished by hand sanitizer. Therefore, composting toilets do not directly use water for their operation. However, bathroom cleaning companies would haul water to the site for bathroom cleaning. Therefore, installing a composting toilet would not be 100% waterless.

Composting toilets require regular mixing of the solid waste, and attention to detail during use to maintain the aerobic decomposition process. Therefore, composting toilets are perceived to be too difficult if proposed for public use. If not used properly, the composting process may be interrupted. Trash may also disrupt the composting process by affecting the pH. Therefore, increased maintenance and oversight is required for composting toilets. This translates into higher operating costs than traditional bathroom design. While they can be effective at reducing water use and generating compost, these toilets are widely perceived to be too difficult for the public.

According to manufacturers, the composting toilets are so difficult to maintain and use properly, that they are essentially only used in extremely remote, low use locations.

Lastly, composting toilets require additional inputs to aid in the decomposition process. Instructions on how to use would be required and if patrons do not follow instructions, additional cleaning and maintenance would be required.

Pit toilet

The pit toilet design is effectively very similar to a large permanently set porta-potty. Pit toilets would not require water for flushing, and hand washing would likely be accomplished by hand sanitizer. The bathroom building would be built over a large holding tank that would require pumping at regular intervals. The large holding tank would need to be filled with chemicals and water in an attempt to reduce odor. The water and chemicals would be trucked in. In addition, water would be trucked in to wash and clean the bathroom.

Pit toilets require large black ventilation pipes to generate heat and air flow to direct odor away from the bathroom area. Often these ventilation pipes require additional fans to be installed to

increase airflow. People often notice the odor from pit toilet bathrooms much more than conventional bathrooms.

The bathroom building design for pit toilets is very similar to that of conventional bathroom buildings. Therefore, the cost for the pre-manufactured bathroom is similar for all four types of bathroom designs. However, pit toilet site preparation requires additional excavation and foundation work to prepare the site for the deep holding tank that is used to hold the water/chemicals and sewage until it is pumped out at regular intervals.

Some options available for Pit toilet bathroom design include:

- Install low flow sinks for hand washing. However, this would obviously require additional water use and increased pumping frequency.
- Provide a floor drain to drain trucked in wash water into the pit. This also requires an oversized pit and increased pumping.

Reduced potable water, Conventional toilets

If a site has recycled or non-potable water available for use, it provides a great opportunity to cut down on potable water use at a bathroom facility. This option would function identical to a conventional bathroom design for the public. Recycled water and potable water are separately piped to the bathroom facility for specific uses. Flushing would utilize recycled water and hand washing would utilize potable water. Often recycled water may be utilized for bathroom cleaning, which further cuts down the potable water use.

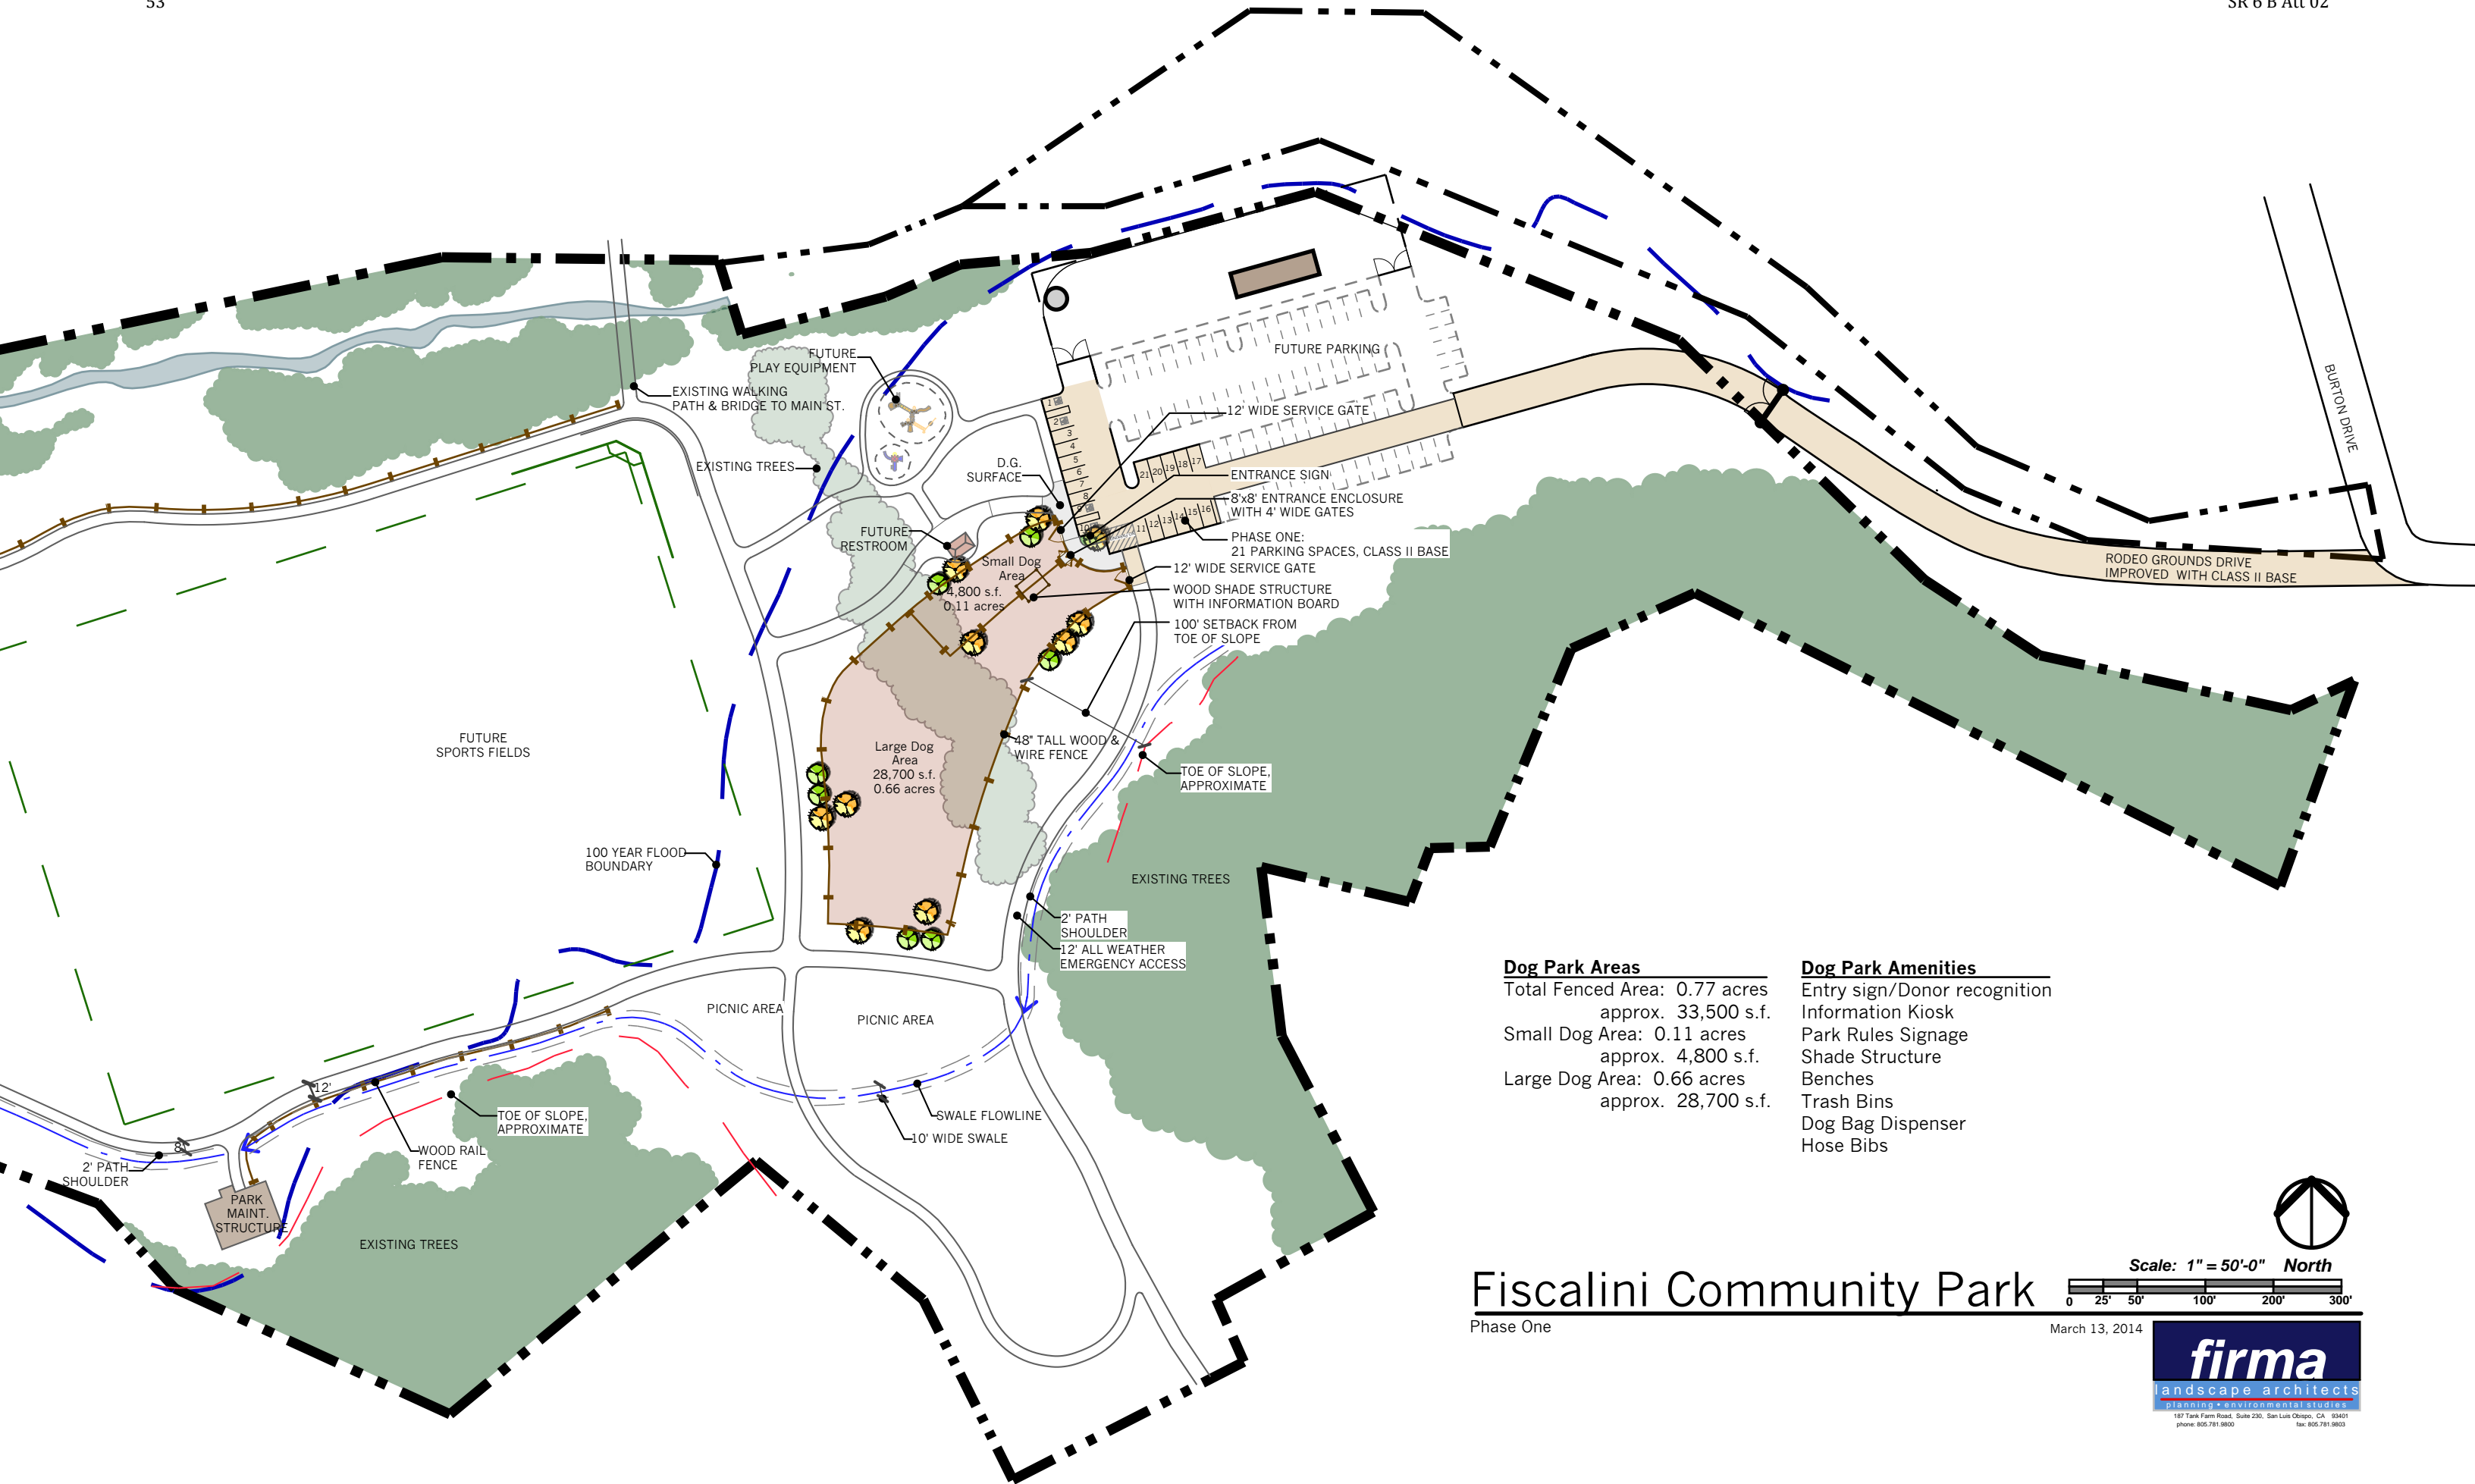

Pre-manufactured conventional bathroom buildings come equipped with hose reels that workers can use to wash down the facility. The benefit with this is that water is not trucked in from off site.

Full potable water, Conventional toilets

Standard conventional bathroom design requires potable water for flushing, hand washing, and bathroom cleaning.

Summary

The four types of bathroom design have been outlined in this document. If clarification is required for any of the statements made in this document, please contact Civil Design Studio.

 Phase One

March 13, 2014

CAMBRIA COMMUNITY SERVICES DISTRICT

TO: Board of Directors

AGENDA NO. **6.C.**FROM: John F. Weigold IV, General Manager
Pamela Duffield, Finance Manager

Meeting Date: May 20, 2021

Subject: Discussion and Consideration of Third
Quarter Budget Report for FY 2020/21
and Adoption of Resolution 15-2021
Amending the Fiscal Year 2020/21
Budget**RECOMMENDATIONS:**

It is recommended that the Board of Directors discuss and review the third quarter budget report and approve the following recommendations:

- 1) Adopt Resolution 15-2021 approving the following budget adjustments to the FY 2020/21 budget:
 - a. General Fund Facilities & Resources – Increase budget for Homeless Encampment Cleanup and Storm Damage in the amount of \$63,900.
 - b. General Fund PROS – Reallocate budget in the amount of \$19,965 from Skate Park Maintenance to Skate Park Design.

The Finance Committee reviewed the third quarter budget report and the associated budget adjustment requests on April 27, 2021 and recommended approval by a 5-0 vote.

FISCAL IMPACT:

There are two budget adjustments requested during the third quarter report, both adjustments are for General Fund Departments, due to unplanned events during this reporting period.

- 1) General Fund Facilities & Resources – Increase budget for Homeless Encampment Cleanup by \$37,400 and Storm Damage by \$34,500, with funding from reallocation of unused Temporary Services budget of \$8,000 and General Fund Reserves of \$63,900.
- 2) General Fund PROS – Reallocated unused budget from Skate Park Maintenance of \$16,965 and Professional Services of \$3,000 to Capital Outlay for the Skate Park Design.

DISCUSSION:

The budget report for the third quarter of FY 2020/21 covers the period from July 1, 2020 through March 31, 2021, which is approximately 75% of the fiscal year.

General Fund

The General Fund budgets include Fire, Facilities & Resources, PROS and Administration Departments. Overall revenues are matching expenditures during the third quarter. This is normal as most of the General Fund revenues are derived from property taxes, which are received in October through April. During this reporting period there are no significant budget

variations for Fire, PROS or Administration. Facilities & Resources requires a budget increase to cover unplanned expenditures and PROS requires a budget reallocation.

Facilities & Resources:

The Facilities & Resources Department had 5 encampment cleanups. The total amount of these cleanups to date, plus what is anticipated to June 30, 2021 is \$62,762. This exceeds the fiscal year budget by \$37,400, so a budget adjustment is necessary.

The Facilities & Resources Operations Building, Public Restrooms and the Santa Rosa Trail sustained a great amount of water and mud damage during the January 2021 storms. Initial cleanup, water mitigation efforts and emergent repairs are completed, but permanent repairs to the operations building have not begun. The expenses related to storm damage were unanticipated and not budgeted for FY 2020/21. Staff has reallocated any available budget, but a shortfall of \$26,500 still exists and a budget adjustment is necessary.

PROS:

The Board directed staff to proceed with the design of the Skate Park, utilizing the unspent maintenance repair budget of \$16,965. The Skate Park design contract was recently executed, and additional funding is needed, due to the contract amount of \$19,500. There is unspent budget for a grant writer of \$3,000. Staff proposes a reallocation of these unused funds be moved to the Skate Park capital outlay improvement project, for a total reallocation of \$19,965.

Wastewater Fund – Wastewater Operations & Capital Outlay

Revenues are greater than expenditures during the third quarter, due to the timing of the utility billing cycles, debt service payment schedules and capital project expenditures. During this reporting period there are no significant budget variations for Wastewater operations.

Water Fund – Water Operations & Capital Outlay

Revenues are greater than expenditures during the third quarter, due to the timing of the utility billing cycles, debt service payment schedules and capital project expenditures. During this reporting period there are no significant budget variations for Water operations.

Water Fund – WRF Operations & Capital Outlay

WRF Operations - Revenues are less than expenditures during the third quarter. This is due to the timing of utility billing cycles and the debt service payment schedules. WRF Capital – Revenues are greater than expenditures during the third quarter. This is due to the receipt of litigation funds received in January 2021. During this reporting period there are no significant budget variations for WRF operations or WRF Capital Outlay.

Capital Outlay & Capital Projects

During this reporting period there several capital outlay purchase and/or projects are in process or completed. The following is a listing of activities:

Completed: General Fund, Facilities & Resources - Purchase of Trailer
Water Fund, Water Operations - SCADA Ignition Upgrade

In Progress: General Fund Administration – Tyler Incode Financial Software Implementation
Water Fund, WRF Capital – UWMP, CDP
Wastewater Fund – PGE SST Project

Included in this report is an updated CIP listing for the General, Water, Wastewater and WRF Funds.

Storm Damage

In late January 2021, CCSD facilities and equipment were damaged by significant rain and windstorm activity. The total costs are still under evaluation, as damages are still being assessed. The initial estimate is projected to be \$400,000 or greater. Staff is continuing to work with the County of San Luis Obispo Office of Emergency Services to determine if State or federal disaster relief will be granted.

A RESOLUTION OF THE BOARD OF DIRECTORS
OF THE CAMBRIA COMMUNITY SERVICES DISTRICT
AMENDING THE FISCAL YEAR 2020/2021 BUDGET

WHEREAS, on August 20, 2020, the Board of Directors adopted Resolution 42-2020 approving the final budget for Fiscal Year 2020/2021; and

WHEREAS, Government Code Section 61111(a) authorizes the board of directors of a community services district to amend the budget by resolution; and

WHEREAS, the Board of Directors desires to amend the Fiscal Year 2020/2021 Budget.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Cambria Community Services District that the Fiscal Year 2020/2021 Budget is hereby amended as shown on Exhibit "A," attached hereto and incorporated herein by this reference.

PASSED AND ADOPTED this 20st day of May, 2021.

Cindy Steidel
Board President

CAMBRIA COMMUNITY SERVICES DISTRICT

TO: Board of Directors

AGENDA NO. **6.D.**

FROM: John F. Weigold IV, General Manager

Meeting Date: May 20, 2021Subject: Discussion and Consideration of
Strategic Plan Status Report and
Update

RECOMMENDATIONS:

Staff recommends that the Board of Directors discuss and consider the monthly updates to the Strategic Plan.

FISCAL IMPACT:

There is no fiscal impact associated with this item.

DISCUSSION:

The Board held a special meeting on January 15th and adjourned to January 19th to develop a strategic plan, which included the development of goals for the next three years and underlying objectives to be largely accomplished over the next six months. Staff recommends that the Board discuss and consider the Strategic Plan status report and update the report as necessary. The Board will review the progress of the goals and objectives monthly and will hold a comprehensive Strategic Plan update session this summer during a special meeting.

Staff recommends the Board review, discuss and consider the monthly updates to the Strategic Plan.

19 January 2021 – 1 July 2021

THREE-YEAR GOAL: INCREASE AND IMPROVE COMMUNICATION WITH THE PUBLIC						
WHEN	WHO	WHAT	STATUS			COMMENTS
			DONE	ON TARGET	REVISED	
1. At the April 8, 2021 CCSD Board meeting	Administrative Analyst – HR & IT – lead, CCSD Dir. Tom Gray, Vice Chair Policy Committee Gordon Heinrichs	Assess the website for community accessibility to information important for them to know and report results to the Board and staff	X			Initial meeting on 3/8. Follow up meeting held 3/15. Staff has implemented several changes to the CCSD website, including the addition of a new email-push tool for updated news. Task complete, but monitoring going forward.
2. At the April 15, 2021 Board meeting	General Manager John Weigold IV, with input from the Policy Committee	Develop a template improving public communication through social media.		X		Social media policy drafted for District Counsel review.
3. April 15 2021	Administrative Analyst – HR & IT - lead, General Manager John Weigold IV, Fire Chief William Hollingsworth, Facilities & Resources Manager Carlos Mendoza	Expand the existing format within the website for the public to communicate with staff and share with the Board and staff.	X			Initial meeting held 3/10. Additional contact information and tools added to the CCSD website. Task complete.

4. FOR FUTURE CONSIDERATION		Develop a newsletter for the public that is distributed regularly and the process(es) for distributing it.				
-----------------------------------	--	--	--	--	--	--

THREE-YEAR GOAL: ACHIEVE AND SUSTAIN ADEQUATE FINANCIAL RESOURCES TO FULFILL THE MISSION						
WHEN	WHO	WHAT	STATUS			COMMENTS
			DONE	ON TARGET	REVISED	
1. April 27, 2021	GM John Weigold IV and Finance Manager Pamela Duffield, co-leads, working with the Finance Committee	Identify underfunded, under-resourced and under-staffed services	X			Finance Committee Ad-Hoc created 2/23/2021 to identify underfunded, under-resourced and under-staffed services. Two meetings held. Finance Committee reviewed on 4/27. Ad hoc report attached for BOD review.
2. June 1, 2021	GM John Weigold IV and Finance Manager Pamela Duffield, co-leads, working with the Finance Committee	Identify funding resources and structural changes to meet unmet services needs		X		Finance Committee Ad hoc formed for Objective #1 to continue work on this objective.
3. July 1, 2021	GM John Weigold IV and Finance Manager Pamela Duffield	Complete the Tyler Financial System implementation		X		In progress

THREE-YEAR GOAL: ACHIEVE A BALANCED POLICY FOR GROWTH AND RESOURCES						
WHEN	WHO	WHAT	STATUS			COMMENTS
			DONE	ON TARGET	REVISED	
1. At the April 15, 2021 CCSD Board meeting	The Resources and Infrastructure Committee's ad hoc Committee on Water Conservation (CCSD Director Karen Dean – lead)	Identify public water conservation measures and best practices and bring recommendations to the Board for sharing with the public.	X			Presented to the R&I Committee on 4/27. Work complete and report attached.
2. At the May 13, 2021 CCSD Board meeting	The Resources and Infrastructure Committee (former CCSD Director David Pierson – lead)	Identify additional sources of water and share the results with the Board.	X			Presented to the R&I Committee on 4/27. Work complete and report attached.

THREE-YEAR GOAL: DEVELOP AND IMPLEMENT A LONG-TERM INFRASTRUCTURE AND RESOURCES PLAN						
WHEN	WHO	WHAT	STATUS			COMMENTS
			DONE	ON TARGET	REVISED	
1. At the April 19, 2021 Resources and Infrastructure Committee meeting	General Manager John Weigold IV – lead, Finance Director Pam Duffield and Utilities Manager Ray Dienzo	Update the short-term CIP (Capital Improvement Plan) and present it to the Resources and Infrastructure Committee for review.	X			Report completed and presented to the R&I Committee on 5/10/21.
2. May 1, 2021	Utilities Manager Ray Dienzo and Finance Director Pam Duffield	Coordinate the conversion of Plan-It to Tyler Incode Asset Management Module for the purpose of asset management for ALL CCSD departments.				Configuration and training anticipated in June 2021.
3. At the June 14, 2021 Resources and Infrastructure Committee meeting	General Manager John Weigold IV – lead, Finance Director Pam Duffield and Utilities Manager Ray Dienzo	Update and extend the long-term CIP (Capital Improvement Plan) and present it to the Resources and Infrastructure Committee for review.				Presented to R&I on May 10, 2021.

Water Supply Ad Hoc Committee

R&I Standing Committee

Our committee was tasked as part of the CCSD Board's Strategic Planning process to find alternate sources of water for the community to allow growth. We were tasked to pursue opportunities regardless of the amount of water that might be needed or the amount the Water Reclamation Facility (WRF) will be able to produce during drought years. The revised Urban Water Management Plan, due in July, and a final approved Coastal Development Permit for the WRF should clarify the needed quantity. Our findings can then be used by the Board to decide on which, if any, opportunity needs to be pursued.

After much consideration, we came up with two basic truths to guide us. First, the two streams that provide our water now will not be providing any new water in the future. Indeed, climate change may cause there to be less water available. Second is that many studies have already been done in this area and although we had some new ideas, we certainly used the previous studies to guide us.

The Army Corps of Engineers (ACE) report, *Cambria Water Supply Alternatives*, of November 2013 was a comprehensive report that had 28 concepts narrowed down to 8 viable alternatives. Some of those had us linking to resources to our south. We consulted with both Supervisor Gibson and Tom Luster of the Coastal Commission on those alternatives. Both told us that tapping any resources outside of the immediate Cambria area was a non-starter. The cost and environmental impact would preclude any of those opportunities. The ACE report did have two options that we thought were viable and those are discussed below.

We are proposing five different opportunities for the Board's consideration. All will cost millions of dollars and require environmental and engineering studies before being pursued. We are not endorsing any of these options but offering them to the Board for their consideration. We do agree that the new wastewater treatment plant (WWTP) will be required within the next 10-15 years. With the time to get the engineering done and the permit approvals for such a project, we recommend initial studies on a new WWTP begin soon. Once the WRF is permitted the Board should have a clear picture of the need for additional water supplies. We recommend the Board then take swift action to decide on an option and begin the needed studies and engineering.

- Option #1 The California Division of Drinking Water is working on a framework of regulations for the direct reuse of highly treated wastewater as drinking water. This new source of water will be highly regulated but offers a clear path for Cambria to use the water produced by the Water Reclamation Facility to be used directly as drinking water without being reinjected into the aquifer. There likely will be modifications needed to the existing plant, but this may be the most viable source of drinking water for the community. The hydrology of the aquifer will obviously need to be considered before undertaking this approach.
- Option #2 Construct a new state-of-the-art Wastewater Treatment Plant that will allow reuse of the plant output as drinking water. This technology is nearing reality and should be available within ten years which is probably the time needed to get the plant sited, permitted, and constructed. A cooperative effort with San Simeon and Hearst Castle (State Parks) should be pursued. This plan has the backing of Supervisor Gibson. The current Cambria plant was

built in the 1970s and though it has been upgraded it is not state of the art. The San Simeon plant needs to be moved due to sea level rise which may also be true of the Cambria plant in the future. The new plant will minimize the reliance on the streams as most of the community's need will come from the plant. This option needs to be pursued regardless of San Simeon's cooperation.

- Option #3 There are ranchers and farmers upstream of our wells that own water rights for their operations. The District should pursue buying these rights so that more of the streams' water can be used for the community. These include rights held by Mr. Warren and Mr. Pedotti on San Simeon Creek and numerous landowners on Santa Rosa Creek. We have not contacted any of these landowners and know of none that are looking to sell at this time. The key risk to this option is that since it does not bring any additional water into the system, in a drought this water may not be available. This extra water rights would not necessarily need to be permitted as this water would be available downstream to our well field.
- Option #4 The 3rd best option from the ACE report is for a Desalination Plant. This option has been pursued by the CCSD before but remains one of the most viable alternatives. It would reduce dependence on the streams which would allow them to replenish and would reduce the environmental impacts on the streams. We encourage the Board to work with San Simeon to reconsider building a plant that would serve both communities with a stable and reliable water supply.
- Option #5 Another alternative considered by the ACE report is off-stream storage of water. Our concept would be to work with Mr. Warren on his reservoir to store up to 700 AF of water. This water could be used to provide Mr. Warren with his 187 AF each year for his crops or with the addition of a surface water treatment plant be used for potable water for the community. There are numerous challenges associated with this plan including filling the reservoir which would take several years. There are other possible off-stream opportunities including one off Perry Creek that would provide a possible 50 AF of storage. However, all the other opportunities would be more expensive due to their remoteness to the main well fields.

The ACE report delineated eight Tier 2 concepts. One has been implemented with the Water Reclaim Facility. Two others are discussed above. Three involve sources outside of our reach based on discussions with Gibson and Luster. The Hard Rock Storage and San Simeon Recycle were rated 6 and 8 by the AEC report and not considered viable by us.

During our review of the ACE alternatives, we were reminded of the original plan to dispose of the brine from the Water Reclamation Facility. The original concept was for subterranean disposal by recharging of the plant generated waste stream in the seawater wedge via deep injection brine injection wells. We recommend that this be pursued by the CCSD as a better method of disposal of this waste than the current plan to truck the waste to an approved outfall. This will require new permitting and approvals, but the effort would be highly beneficial. (\$1.6M in 2013)

Water Conservation Ad Hoc Committee Report R&I Standing Committee

The R&I Ad Hoc Committee on Water Conservation was assigned the Strategic Planning Objective of identifying public water conservation measures and best practices and to bring recommendations to the Board for sharing with the public. Actively conserving water as much as possible is very important to preserve our limited supply of water, especially with the increasing effects of climate change as well as our more and more frequently recurring drought conditions.

Our research began with the CCSD Website and the links therein on Water Conservation and Water Use Efficiency. To find this information, go to Cambriacsd.org, click on Water, then Plans and Programs, and you will find links for Water Conservation guidelines as well as for the Water Efficiency Plan developed with Maddaus Water Management and adopted by the Board in 2013. We have included many of the recommendations from these reports, have expanded on some of those recommendations, as well as including information from our additional research.

Our recommendations for water conservation include the following.

Indoor water saving tips:

- Use low flow and water efficient fixtures. Bathroom faucet aerators can be easily replaced with ½gpm aerators, inexpensive and readily available at local hardware and home improvement stores. Also available are inline flow reducers that can be installed under the sink in the water supply line.
- Do not let the water run when brushing teeth or shaving.
- Install 1 ½gpm shower heads, they are currently available in many styles and finishes. Another option to reduce water flow in the shower is a flow restrictor that attaches between the shower arm and shower head, many of which have a shut off lever to stop the flow of water while shampooing or soaping up.
- Catch shower water in a bucket while waiting for hot water, use this water to flush toilet or water plants. Limit showers to 5 minutes. If more than one person will be showering, shower one after the other to avoid having to wait for hot water again.
- Replace toilets with a 1.28 gallon per flush or dual flush toilet. Check the toilet for leaks by putting food coloring in the water tank. If there is a leak, the food coloring will show up in the bowl without flushing.
- Replace kitchen faucet aerators with 1 ½gpm aerators or install inline flow restrictors in the water supply line under the sink.

- Hot water recirculating pumps can help reduce the water wasted while waiting for hot water. Many different types are available, and can be controlled with timers, remote controls, or a switch at the sink. They can be installed near the water heater, or under the sink versions for instant hot water are also available and would be a simpler retrofit requiring less plumbing.
- Never let the water run continuously if washing dishes by hand.
- Run only full loads in the dishwasher and washing machine and use the shortest cycle possible.

Outdoor water saving tips:

- Use a broom or a battery powered blower, not a hose, to clean driveways and walkways.
- Replace high water using lawns and plants with drought resistant ground covers and shrubs.
- Add organic matter to the soil to increase water penetration and retention.
- Mulch around plants to keep the soil cool, retain moisture, and reduce weed growth.
- Use drip irrigation and adjust water schedule with changes in the weather, use timers.
- Water in the coolest part of the day, early morning or evening.
- Additional tips for water efficient landscaping can be found at <https://www.slowaterwiselandscaping.com>. Also consider more fire wise landscaping options, some good information and other links on this are available on www.ReadyforWildfire.org.
- Consider rainwater harvesting for landscape watering. Roof catchment systems can be as simple as collecting water by routing gutter downspouts into a barrel, daisy chaining several barrels together or using a water storage tank to hold the water for later use. This saved rainwater can also be used to wash vehicles. Approximately .62 gallons of water per square foot of rooftop per inch of rainfall can be collected, with a 2000 sq ft roof that could be about 1,343 gallons of water for every inch of rain.
- Greywater systems can help reduce the use of potable water for landscaping. However, greywater cannot be stored, nor can it be used for edible crops or where it can be in contact with people by spraying or by sprinkler systems.

A report by Committee member Jim Webb, with contributions from Committee member Brad Fowles, on research done on greywater systems and use follows. Jim talked to some local contractors regarding the use of greywater.

While greywater systems may be complex or simple, the bottom line is their design is dependent on site specific details. Living on a hill is a situation that might mean you need pumping to make your greywater system work. A flat lot might not need this and can use that old standby: gravity. More difficult the terrain, the more expensive the system will be.

Small lots use small systems, large lots more complex situations. Some properties may have no benefit at all from a greywater system if there is very little area to disperse the water. The rules are the same: non-potable water cannot be stored (the bacteria in it will multiply) and cannot be put on vegetable crops or dispersed in a manner that people will come in contact with it. A drip system will deliver water to a landscape bed but a sprinkler on a lawn won't work.

In a typical house, about a third of water use is with toilets. This water cannot be used for greywater. About half the water used goes to landscaping, and this is a place where greywater systems can show some savings. It is not unrealistic to assume 15% water savings implementing a greywater system.

Standardized parts are now available, and inexpensive systems in the right location can be done for under two thousand dollars. The issue that sometimes crops up is the cost of a permit. The cost of a permit is \$1,500. This has made some people opt to not go the permit route, but still put in a system. This obstacle could be adjusted by the county. Required care and maintenance of a greywater system should be considered when evaluating the benefits for your area.

Perhaps not unimportant, is the fact that greywater systems do not feed the CCSD Waste Water Treatment Plant. The water is absorbed by the user's yard. As such, water and wastewater bills could decrease with a greywater system.

Cambria Community Services District Social Media Policy

2415.1 Purpose:

The policy outlines the protocol and procedures for use of social media to publicize Cambria Community Services District ("District") services, news, announcements and events. In addition, this policy addresses the responsibilities of employees and District officials with regard to social media and the use of District resources (time/equipment), as well as responsibilities related to the public records and open meeting laws.

2415.2 Definitions:

- a) Social Media: Various forms of discussions and information-sharing, including social networks, blogs, video sharing, podcasts, wikis, message boards, and online forums. Technologies include: picture-sharing, wall-postings, fan pages, email, instant messaging and music-sharing. Examples of social media applications include but are not limited to Google and Yahoo Groups, (reference, social networking), Wikipedia (reference), NextDoor (social networking), Facebook (social networking), YouTube (social networking and video sharing), Flickr, (photo sharing), Twitter (social networking and microblogging), LinkedIn (business networking), and news media comment sharing/blogging.
- b) Social Networking: The practice of expanding business and/or social contacts by making connections through web-based applications. This policy focuses on social networking as it relates to the Internet to promote such connections for District business and for employees, elected and appointed officials who are using this medium in the conduct of official District business.
- c) "Posts" or "postings" means information, articles, pictures, videos, or any other form of communication posted on a District social media site.

Policy:

2415.3 No district social media site may be created without the approval of the General Manager or his or her designee. All District social media sites created on behalf of the District, by its employees on District time, or using other District resources are the property of the District and shall be administered and regularly monitored by the General Manager or his/her designee. These social media sites shall be used to help inform the public about District business, services, news and events. Individual departments may have their own pages/sites, subject to General Manager approval. Individual departments wishing to add content to District social media sites may submit a request to the General Manager. The District's web site, www.cambriacsd.org, will remain the location for content regarding District business, services and events. Whenever possible, links within social media formats should direct users to the District web site for more information, forms, documents, or online services necessary to conduct business with the District. District social media sites shall clearly state that such sites are maintained by the District and that the sites comply with this Social Media Policy.

2415.4 District employees and appointed and elected officials shall not disclose information about confidential District business on the District's social media sites, personal social media sites, or otherwise. In addition, all use of social media sites by elected and appointed officials shall be in compliance with California's

open meeting laws, which prohibit serial meetings of a majority of the Board or another legislative body of the District via email or other electronic means. Members of the Board, committees and/or legislative bodies shall not respond to, "like", "share", retweet, or otherwise participate in any published postings, or use the platform or any form of electronic communication to respond to, blog or engage in serial meetings, or otherwise discuss, deliberate, or express opinions on any issue within the subject matter jurisdiction of the body on which they serve. Employees and elected or appointed officials' posts to non-District social media sites are a reflection of their own views and not necessarily those of the District and should not suggest otherwise.

2415.5 Posting/Commenting Guidelines:

- a) Postings made by the District to social media sites should contain information and content that has already been published or broadcast by the District. The District will not comment on other social media member's sites. All official social media postings by the District will be done solely on the District's social media sites or in response to postings made on the District's social media sites. Officers, employees and agents of the District representing it on District social media sites shall conduct themselves professionally and in accordance with all District policies. All District social media sites shall use authorized District contact information for account set-up, monitoring and access. Personal email accounts or phone numbers may not be used to set up, monitoring, or post to a District social media platform.
- b) The District reserves the right to remove from its social media sites content that it finds to violate this policy or applicable law. Any participants on the District's social media sites who are in continual violation of the postings/commenting guidelines may be barred from further use of the District's site. The District will only post photos for which it has copyright or the owner's permission.
- c) District social media platforms are subject to the California Public Records Act. Any content maintained on a District social media site that is related to District business, including a list of subscribers, posted communication, and communication submitted for posting, may be considered a public record and subject to public disclosure. All postings on District social media sites shall be sent to a District email account and maintained consistently with the Public Records Act, provided, however, that any material removed from a District social media site consistently with this policy shall be considered a preliminary draft, note or memorandum not retained by the District in the ordinary course of business and shall not constitute a public record of the District required to be retained consistently with the District's records retention schedules.
- d) Chat functions in any social media sites should not be used.
- e) Links to all social media networks to which the District belongs will be listed on the District's website. Interested parties wishing to interact with these sites will be directed to visit the District's web site for more information on how to participate.
- f) The District reserves the right to terminate any District social media site without notice or to temporarily or permanently suspend access to District social media as to some or all persons at any time. The District reserves the right to implement or remove any functionality of its social media platforms, in the discretion of the General Manager or his or her designee. This includes, but is not limited to, information, articles, pictures, videos, or any other form of communication that can be posted on a District social media platform
- g) District social media sites may contain content, including but not limited to, advertisements or hyperlinks over which the District has no control. The District does not endorse any hyperlink or advertisement placed on District social media sites by the social media site's owners, vendors, or partners.
- h) Any person authorized to post items on any of the District's social media platforms shall review, be familiar with, and comply with this Policy and each social media platform's terms and conditions of use.

- i) Any person authorized to post items on behalf of the District to any of the District's social media platforms shall not express personal views or concerns through such postings. Instead, postings on any of the District's social media platforms on behalf of the District shall only reflect the views of the District.
- j) Posts must contain information that is freely available to the public and not be confidential as defined by any District policy or county, state or federal law.
- k) Posts may NOT contain any personal information, except for the names of persons being available for contact by the public as representatives of the District. Posts to District social media sites shall NOT contain any of the following:
 - 1) Comments that are not topically related to the information commented upon;
 - 2) Comments in support of, or opposition to, political campaigns, candidates or ballot measures;
 - 3) Profane language or content;
 - 4) Content that promotes, fosters, or perpetuates discrimination on the basis of race, creed, color, age, religion, gender, marital status, or status with regard to public assistance, national origin, physical or mental disability or sexual orientation, or any other category protected by federal, state, or local law;
 - 5) Sexual content or links to sexual content;
 - 6) Solicitations of commerce;
 - 7) Conduct or encouragement of illegal activity;
 - 8) Information that may tend to compromise the safety or security of the public or public systems; or
 - 9) Content that violates a legal ownership interest of any other party.

Procedures:

2415.6 The General Manager or his designee will be responsible for responding to comments and messages as appropriate. The District will direct users to the District's web site for more information, forms, documents or online services necessary to conduct business with the District.

2415.7 The District may invite others to participate in its social media sites. Such invitations will be based upon the best interests of the District as determined by the General Manager or his or her designee.

Responsibilities:

2415.8 It is the responsibility of employees and appointed and elected officials to understand the procedures as outlined in this policy.

2415.9 Employees who are not designated by the General Manager to access social media sites for District business are prohibited from accessing social media sites utilizing the District computer equipment and/or the District's web access. While at work, employees who are not granted access via District systems and computing equipment may use personal computing devices and personal web accounts to access social media sites only during non-working hours such as lunch periods and breaks. State law provides that more than occasional or incidental personal use of District resources is a crime.

2415.10 The General Manager will determine if a requested use of District social media sites or other District resources is appropriate and complies with this policy.

2415.11 All content on District social media sites must comply with District web standards, the rules and regulation of the social media site provider, including privacy policies, and applicable law. Employee or District confidentiality shall be maintained in accordance with all applicable laws and District policies. If a question arises regarding the use or posting of confidential information on a social media site, the matter shall be referred to the General Manager. The information in question shall not be posted, or if already posted, shall be removed until an

opinion is rendered by General Manager or, at his or her request, Legal Counsel. Notwithstanding the opinion of the District counsel, the General Manager reserves the right to restrict or remove District information from a District social media site if the General Manager concludes the information does not serve the best interest of the District.

2415.12 All social media-based services to be developed, designed, managed by or purchased from any third-party source for District use requires appropriate budget authority and approval from the Board of Directors, in accordance with the District's Purchasing Policy.

2415.13 The District reserves the right to change, modify, or amend all or part of this policy at any time.

CAMBRIA COMMUNITY SERVICES DISTRICT

TO: Board of Directors

AGENDA NO. **6.E.**FROM: John F. Weigold IV, General Manager
Ray Dienzo, Utilities Department Manager/District Engineer

Meeting Date: May 20, 2021	Subject: Discuss and Consider Urban Water Management Plan (UWMP) Demand Components and Proposed Water Shortage Stages of the 2020 Water Shortage Contingency Plan (WSCP)
----------------------------	--

RECOMMENDATIONS:

Staff recommends that the Board of Directors discuss and consider Urban Water Management Plan (UWMP) Demand Components and Proposed Water Shortage Stages of the 2020 Water Shortage Contingency Plan (WSCP). Staff further recommends the Board direct staff to implement changes requested, if any, and approve the components for inclusion in their respective plans.

FISCAL IMPACT:

The FY 2020-21 adopted Water Fund budget includes an amount of \$92,192 (Water Ops \$71,729 and SWF \$20,463) for the UWMP activity. There is no financial impact associated with this action.

DISCUSSION:

Staff is updating the Urban Water Management Plan (UWMP). This updated UWMP 2020 will incorporate changes since UWMP 2015 that California Department of Water Resources (DWR) has compiled in their 2020 UWMP guidebook.

In 2019, CCSD staff, with support from the Board, set a goal to pursue parallel paths for the UWMP and Coastal Development Permit (CDP), recognizing the intersections between the two efforts. Staff consulted with Coastal Commission Staff starting in June 2020 to scope an Instream Flow Study (IFS) and determine how it would impact the UWMP 2020. Task 2 of the IFS efforts are now underway with the installation of piezometers for the localized groundwater model update and calibration tool, which will provide data to inform our CDP efforts for the Water Reclamation Facility (WRF). In addition, the request for proposals for the Task 1 Lower San Simeon Creek IFS is also underway. This will provide a larger scale, long-term study of the Lower San Simeon Creek watershed. These efforts, though related to the District's water supply portfolio, will not be directly incorporated in the upcoming UWMP 2020 submittal but will be incorporated at a later date as an amendment pending the results of the IFS.

The focused discussion and consideration today regard the updated technical portions of the UWMP 2020 and WSCP 2020:

- Water Demand Model Update and Analysis – this updated model incorporated data since 2015 and revised assumptions for future demands. Policy direction is requested related to assumptions concerning no growth through 2025 followed by 1% growth until buildout is reached.

- Water Shortage Contingency Plan Water Shortage Severity Stages – the proposed six stages as detailed in the Attachment are based on the framework of the existing Emergency Water Conservation Program’s three (3) stage structure as outlined in CCSD Code Section 4.12 (Legacy Program).

The existing Stage 3 Water Shortage Emergency Condition permits the operation of the WRF under the CCSD’s emergency CDP. The equivalent to the Legacy Program’s Stage 3 will now begin at Stage 5 and include Stage 6. When the WRF receives its Regular CDP, an amendment could be included to allow for earlier operation of the facility.

The first presentation of the updated demand projections and proposed Water Shortage Contingency Plan stages (Six Stages) was presented to the Resource and Infrastructure (R&I) Committee on May 4, 2021. After receiving input from both the Committee and the public, the R&I formed an ad hoc committee to work through details with staff. The latest revision of the Six Stages includes this input from the R&I ad hoc committee.

Schedule for the completion of the UWMP 2020:

May 28, 2021	Release Public Draft of UWMP 2020
June 17, 2021	Board of Directors hearing to consider adoption of UWMP 2020
July 1, 2021	Submit UWMP 2020 to DWR

2. Water Shortage Severity Stages

CAMBRIA COMMUNITY SERVICES DISTRICT

TO: Board of Directors
FROM: John F. Weigold, IV, General Manager

AGENDA NO. **7.B.**

Meeting Date: May 20, 2021 Subject: General Manager's Report

GENERAL MANAGER:

The District continues its mission of providing water, wastewater treatment, emergency response, facilities, and administrative services. In addition to the daily operations of the Cambria Community Services District (CCSD), the following is an update on some of our current ongoing projects:

Skatepark

Spohn Ranch, our skatepark design contractor, held an initial planning meeting with community stakeholders on April 27th.

COVID-19

San Luis Obispo County has shifted to the Orange Tier for COVID-19 readiness, and the staff continues to operate according to County Health Department regulations.

Regulatory Compliance

The District continues to provide all required regulatory reporting on or ahead of schedule.

Grants

Congressman Carbajal selected the CCSD's Stuart Street Water Tank refurbishment project, a \$472,000 project, as part of the Congressional Community Project Funding, a supplement to the traditional federal appropriations process that allows for direct project inclusion in federal appropriation bills. This CCSD project was one of 65 submissions from across San Luis Obispo and Santa Barbara Counties, and was the only special district project selected as one of the ten projects ultimately selected. Thank you to the following people and organizations for writing letters of support for this application: Supervisor Bruce Gibson, North Coast Advisory Council, Cambria Chamber of Commerce, Cambria Tourist Bureau, and the CCSD Board of Directors.

HUMAN RESOURCES:COVID-19

There were no extraordinary actions taken by the General Manager this month related to the COVID-19 pandemic, as authorized by Resolutions 09-2020 and 52-2020.

INFORMATION TECHNOLOGY:Zoom Update

Zoom [regularly provides new versions](#) of the Zoom desktop client and mobile app to release new features and fix bugs. Zoom has released a new version and the District recommends the Board of Directors, Standing Committee members, PROS Commissioners and members of the public consider upgrading to the latest version. You can manually download the latest version by clicking on download from the link at <https://zoom.us> or directly from one of the following links:

- o <https://zoom.us/support/download>

- <https://zoom.us/download>
- <https://zoom.us/download2>

If you already have the Zoom desktop client installed, you can check for updates by signing in to your Zoom desktop client, click on your profile picture and click **Check for Updates**.

For more information on how to update your Zoom client, please visit <https://support.zoom.us/hc/en-us/articles/201362233-Upgrade-update-to-the-latest-version>

District Policies on CCSD Website

We have reorganized all CCSD policies on our website. The “Policies” quicklink is located on the homepage and the Administration Department’s page. The link is:

Facilities and Resources Report

Public Record Requests and Responses

Facilities and Resources Supervisor Report

- Trail has been reopened to the public. Below are before and after pictures.

- Below are pictures of the clean up and repairs being done on the trail by CCSD Staff.

Tree Work Fiscalini Ranch Preserve

- CCSD Staff continues to clean up fallen trees behind the homes on Warren Dr and Tipton.
- The work is part of the annual weedabatement and fire break maintenance.

- CCSD Staff has started to mow fire breaks along the perimeter of the Preserve.
- Some of the mowing is also done to control invasive plants.

- On May 3rd the one way directional signs were removed from the trail. The trail is once again a two way trail.

- FFRP Volunteers installed a new bridge on Wallbridge St.
- Funds for the replacement of the bridge came from a donation from a nearby neighbor.

Monthly Volunteer Work Day

- 12 Volunteers showed up for the monthly work day on Fiscalini Ranch Preserve on Saturday, April 17th.
- Volunteers spread wood chips along trails.

Public Record Requests and Responses

The District responded to three (3) Public Record Request since April 8, 2021 by the following citizens:

04/13/21 Tina Dickason - Good afternoon, Ossana. Please provide any and all comments received from the agencies described below, related to the SOW, described in Agenda item 7B, in the April 15, 2021 Board Packet, copied and pasted below?
7B "DISCUSSION: Utilities Department staff and the Board's ad hoc committee for the Coastal Development Permit (CDP) spent a significant amount of time developing and refining a proposed scope of work (SOW) for the Instream Flow Study required by the North Coast Area Plan (NCAP). This SOW was submitted to staff of the California Coastal Commission, California State Parks, and California Department of Fish and Wildlife (CDFW) for their review and comment. This SOW proposed two major tasks." Thank you, Tina Dickason

On 04/23/21, the CCSD responded to Tina Dickason's 04/13/21 Public Records Request with the following:

Enclosed are the following documents which are responsive to your request:
Email correspondence to RayD_Redacted
Email correspondence re_Instream Flow Study – scope status

04/14/21 Tina Dickason - Good afternoon, Ossana. Please provide evidence, if such exists, of any legal (or otherwise) complaint filed against the Cambria Community Services District, related to the California Voter Rights Act. Thank you, Tina Dickason

On 04/23/21, the CCSD responded to Tina Dickason's 04/14/21 Public Records Request with the following:

There hasn't been a complaint filed against the District. We received the attached correspondence from Mr. Drayer, which is the only document that we are aware of that could be considered responsive to your request.

04/19/21 Michelle Alvarez - Hello, Will you please provide all the utility info you may have for Windsor Blvd? The bore will cross from 4696 Windsor Blvd to an existing vault in the median. (See file attached) Thank you, Michelle Alvarez

On 4/29/21, the CCSD responded to Michelle Alvarez' 04/19/21 Public Records Request with the following:

Ray Dienzo contacted Ms. Alvarez to request further clarification.

BOARD OF DIRECTORS' MEETING – MAY 20, 2021

FINANCE MANAGER'S REPORT

EXPENDITURE REPORT FOR THE MONTH OF APRIL 2021

The Expenditure Report for the month of April 2021 is being submitted to the CCSD Board of Directors in today's meeting (see Agenda Item 5.A.). The report includes a detailed listing and monthly sub-total for each Accounts Payable Vendor, and a summary of each department's monthly expenditures. This month's expenditure report may look a bit different, as the report was generated from the Tyler Incode 10 system.

CCSD DIRECTOR MEETINGS & COMPENSATION FOR THE MONTH OF APRIL 2021

CCSD Directors may receive compensation of \$100 for each meeting attended, up to a maximum compensation of \$600 in each month, per the CCSD Board Bylaws. The table below shows the meeting month, number of meetings attended and the total compensation for each CCSD Director.

Director Name	Meeting Month	Number of	Amt Per	Total
Farmer, Harry	Mar-21	6	\$ 100.00	\$ 600.00
Howell, Donn	Feb-21	4	\$ 100.00	\$ 400.00
Steidel, Cynthia	Feb-21	6	\$ 100.00	\$ 600.00
Dean, Karen	Mar-21, Apr-21	12	\$ 100.00	\$ 1,200.00
Gray, Tom	Mar-21	3	\$ 100.00	\$ 300.00
Total		31		\$ 3,100.00

AVAILABLE CASH BALANCES AS OF APRIL 2021

The total available cash is listed as follows:

Account Type	Balance
Main Checking	\$ 2,013,075.83
Money Market	\$ 2,038,938.87
Local Agency Investment Fund (LAIF)	\$ 3,863,032.11
Total	\$ 7,915,046.81

Available cash is defined as the balance in the Main Checking Account, less outstanding checks, plus Money Market Account, plus Local Agency Investment Fund (LAIF). The total available cash as of April 30, 2021 was \$7,915,046.81.

The total available cash in all restricted accounts are listed as follows:

Account Type (Restricted)	Balance
Payroll	\$ 219,626.43
Veterans Hall	\$ 5,670.10
Health Reimbursement Account (HRA)	\$ 69,633.49
Total	\$ 294,930.02

At this time, the CCSD has adequate resources to meet its cash commitments. Staff will continue to be frugal in purchases, postpone non-critical purchases and carefully monitor their respective budget(s).

Staff submitted a reimbursement request for COVID-19 costs to FEMA. The next step in the process is for FEMA to determine if the costs submitted are eligible for reimbursement, which continues to be under review. Staff will report on the outcome as information becomes available.

In late January 2021, CCSD facilities and equipment were damaged by the significant rain and windstorm activity. The total costs are still under evaluation, as damages are still being assessed. The initial estimate is projected to be \$400,000 or greater. Staff is continuing to work with County of San Luis Obispo Office of Emergency Services to determine if State or Federal disaster relief will be granted.

NEW FINANCIAL SYSTEM UPGRADE - STATUS

Staff and the Tyler Ad-hoc Committee have continued routine conference calls with Tyler Technologies, in developing the next steps required for implementation. During the month of April 2021, the Accounts Payable, Miscellaneous Cash Receipting and Payroll modules were implemented and are now being used for daily financial activities. Utility Billing data verification began, and power user training of Finance staff continued. The Utility Billing module of the Tyler Incode 10 System will "Go Live" beginning May 10, 2021. This process is expected take 3-4 weeks and will occur during the month of May.

ANNUAL AUDIT – STATUS

Staff is working with the Auditor, to prepare for the FY 2019/2020 financial audit. The fieldwork portion of the audit began on May 3, 2021.

Utilities Report for May 2021

Department Activities for the Month of **April**

Wastewater Treatment Plant (WWTP)

Water level in surge tank

In April, the effluent discharge surge tank was brought back online after sitting idle for many years. The effluent discharge surge tank protects the discharge pipeline system from a “water hammer” caused by a surge in flow. The original surge tank system was built by a company that has been long out of business, so previous attempts at repair were unsuccessful. Toni Artho was the lead on this repair. The surge tank is now fully operational but is operated manually with no automation.

Figure B- Operator Toni Artho repairing effluent discharge surge tank

Figure A- Close up of surge tank water level indicator

Collection System

Routine jetting and inspecting of collection system lines continues, resulting in finds such as the root ball shown in Figure C.

Due to frequent use, a 400' section of hose on the vactor truck is being replaced. Annual hose replacement is routine when used on a regular basis. Our crew is using the vactor frequently to clean and maintain our critical sewer collections infrastructure.

Figure C- Operator Delon Blackburn with a root ball retrieved from a wastewater collection system line.

Water Department

Staff continues to focus efforts on locating meters in anticipation of the transition upgrade to an Advanced Metering Infrastructure (AMI). To date, 3384 meters have been pinpointed and recorded in the department's GIS system with 702 meters located in April alone.

As a result, hydrant testing was suspended for the month of April. This decision was also made due to the valve exerciser being sent for repair. Every fire hydrant has a corresponding valve that is exercised during hydrant maintenance and testing. The valve exerciser is used to turn the hydrant valve to ensure proper working order when called upon.

Water operator Adam Steventon received training in April to sit for the Backflow Prevention Assembly Tester Certification exam. Adam's certification will reduce third party contractor costs to test and repair the District's backflow devices.

The Supervisory Control and Data Acquisition (SCADA) Phase II project is nearing completion with all servers, hardware, and human to machine interface (HMI) development substantially complete. The final component of this project includes a new alarm system, a historian, and reporting software. The Water Department's SCADA system is a critical element of day-to-day operations. Operators use SCADA to check the status of pumps, tank levels, and analytical equipment, and the data retrieved by this system is also populated into monthly state-mandated reports. Improvements to the alarms programmed into SCADA will prevent unnecessary call-outs to standby personnel and provide the earliest possible detection of water quality or treatment issues that require staff intervention.

As of April 30, the CCSD has diverted 17% of both the annual San Simeon Creek and Santa Rosa Creek allocations with 78% of total production coming from the San Simeon Creek aquifer. San Simeon Creek well levels are still trending just below average (see attached charts). Additional well level data and production summary reports are available on the website at www.cambriacsd.org/water-data.

The Water Board released a statement¹ in March of this year warning of continued dry conditions across the State. Water users are urged to reduce and conserve. According to the State's website², this past February was the third driest recorded over the past 127 years. All of San Luis Obispo County is in Severe Drought with the eastern most portion in Extreme Drought conditions. Utilities staff will continue to monitor the District's water supply and recommend conservation actions to the Board, as needed. It is important to note that the District's water supplies are localized and may be more or less severe than State and County levels.

Water Department activities and tasks for April 2021 are included in the chart below.

¹ https://www.waterboards.ca.gov/press_room/press_releases/2021/pr03222021_dry_conditions.pdf

Activity	# Completed
Manual Meter Reads/Locates for Billing Purposes	1287
Customer assists for high water usage on customer side of meter	7
Locking/Unlocking Water Meters	1
Meter Shut-Off/Turn-On at Owner's Request	5
Repairs of distribution system leaks	6
After-Hours System Alarm Responses	0
USA Locations	30
Water Service Line Information Requests	4
Service angle stop/Valves Replaced	2
GIS Locating	702
Hydrant Testing/Maintenance*	2
Back-up Generator maintenance/testing	4

*Additional information regarding the Department's hydrant maintenance program can be found at www.cambriacsd.org/water.

Water Reclamation Facility (WRF)

Piezometers were installed at the District's San Simeon Creek Rd property as part of the groundwater modeling and monitoring project being performed by Todd Groundwater's Gus Yates. Data loggers inside the piezometers will record water level data which will be retrieved by Water Department staff and utilized to aid the Instream Flow Study and improve the Adaptive Management Program.

The WRF vendor technicians (H2O Innovations) were onsite in April to assist staff in testing and replacing equipment such as chemical dosing pumps, chemical lines and air lines.

The District's UV vendor was also onsite to test and perform maintenance on the UV Oxidation system. Several ballasts were identified for replacement and extras were ordered to have on hand as back up. One of the screens on the UV system was determined to be non-operable due to exposure to the elements over several years. Protective covering for this kind of equipment is listed on the Department's Capital Improvement Plan as a Priority 2 item. In summary, the UV Oxidation system is fully operational but must be operated manually until the new screen is installed.

Staff will be conducting tests of the Reverse Osmosis (RO) system this summer. The RO filters have been stored in manufacturer packaging and are nearing their recommended storage time limit. Installing the filters will allow vendor technicians and District staff to audit the WRF system during a complete maintenance run. This maintenance run has been requested by the Water Board and will not result in water being reinjected into the aquifer.

Conservation & Permits

This month, the second round of Flume Smart Water System rebates was finally launched. As of the writing of this report (May 6th), 65 rebates have been issued with 56 rebates still available. Visit www.flumewater.com/ccsd to learn more about this limited time offer.

Staff is completing the required components of the Urban Water Management Plan (UWMP) 2020 update, which includes a separate Water Shortage Contingency Plan (WSCP). Both plans are due to the State by July 1st. In April, Staff assisted consultants in preparing a draft list of actions to be taken during the various stages of the WSCP, as well as a preliminary set of shortage indicators which will be used to move within stages of the plan. The State is requiring that all urban water suppliers adopt a standard six stage program and prepare procedures for completing annual water supply and demand assessments. A draft of both the UWMP and WSCP 2020 update will be available in the end of May.

Tech Talk Topic – California Water Conservation Legislation

In 2018, landmark water conservation legislation was signed into law, although the lengthy road map to implementation has largely erased it from the average citizen's memory. You may recall the sensational headlines about the 55-gallon per person per day limit and the false claim that Californians would have to choose between taking a shower or doing laundry. In reality, these policy laws, Assembly Bill 1668 and Senate Bill 606, work together to push Californians toward a more sustainable water future by imposing water budgets on the suppliers (that's us) not on customers like you. Individual households and businesses will not be required to meet specific indoor and outdoor standards. These water budgets will emphasize the aggregate amount of all categories of urban water use, such as indoor and outdoor residential use, Commercial, Industrial, and Institutional (CII) use, irrigation, and water loss. Some of these standards, such as outdoor residential use, are still being developed for future implementation. Once the CCSD's standards are set, the District will decide how best to achieve the new targets as a service area. In the meantime, the District continues to offer rebates and other water conservation programs to help customers use water wisely. Learn more by visiting us at www.cambriacsd.org/water-conservation.

In response to this legislation, the State issued a primer called Making Water Conservation a California Way of Life. It's available online at <https://water.ca.gov/Programs/Water-Use-And-Efficiency/2018-Water-Conservation-Legislation>.

Permit counter activity for the month of April includes the following:

Assignments (12 To Date In 2021)

APN 023.035.021	Boyd to Mora	Waitlist No. 133
APN 023.086.037	Farkas to Shortes	Waitlist No. 267
APN 024.143.027	Myers to Mislant	Waitlist No. 209
APN 024.321.026	Cantu to Berger	Waitlist No. 271

Transfers (3 To Date In 2021)

APN 023.049.034 Henderson Exchange Waitlist No. 311, 646

Voluntary Lot Mergers (1 To Date In 2021)

Will Serves For Remodels, Active Service Transfers, & Grandfathers (14 To Date In 2021)

Cannoles	022.212.053	901 Sheffield	Bath/Bed Addition
Chalifoux/Berry	022.353.011	1034 Hillcrest	Garage Addition
Vadnais-Aguilera	013.101.081	1276 Tamsen	Tenant Improvements
Zimmerman/Greenfield	022.312.018	353 Huntington	Interior Remodel/Bath Add
Harley/Ayers	022.282.014	5165 Windsor	Interior and Exterior Addition
Vanherweg-Jones	023.364.026	2338 Pierce	Guest House & Garage Add

Retrofit Verifications (21 To Date In 2021)

2950 Orin	1441 Richard	2555 Macleod
612 Exeter	531 Canterbury	

Water Line/Meter Replacement (0 to date in 2021)
