A message from the CCSD Board of Directors

Our community counts on reliable water, wastewater and fire protection from the Cambria CSD every day. With the recent departure of the General Manager, the District is in a time of transition.

The Board is actively focused on finding the right General Manager and we plan on conducting a thorough and complete search.

In the meantime, we are confident that the acting general manager, Monique Madrid, has the experience and knowledge to manage the day-to-day operations and the dedicated staff of the District.
