

WATER SHORTAGE CONTINGENCY PLAN

Stage
2

Water Shortage Watch

MANDATORY ACTION

Shortage Response Actions

- All previous shortage response actions, plus:
- Up to 3 days per week of landscape irrigation when using potable water; no more than 15 minutes per day per station.
- Use of graywater or recycled water for irrigation is permitted on any day and at any time.
- Construction projects requiring watering for new landscaping materials shall adhere to the designated irrigation requirements set forth in this plan and shall only install native or drought-tolerant plant species.
- Car washing is only permitted using a commercial carwash that recirculates water or by high pressure/low volume wash systems.
- Installation of new or replacement non re-circulating water systems in commercial conveyor car wash or commercial laundry systems is prohibited.
- Construction operations receiving water from a construction meter or water truck shall not use water unnecessarily for any purpose other than those required by regulatory agencies.
- District will commence public outreach campaign regarding water shortage watch restrictions including presentation and/or materials provided to local schools and street signage.

Additional Shortage Response Actions per Resolution 36-2022

- Staff to increase water waste patrols
- District will provide high-efficiency plumbing and landscape irrigation rebates and giveaways, budget permitting.
- Refilling of irrigation water cisterns with potable water from the CCSD is prohibited
