Direct Debit Authorization Form

Dear CCSD Customer,

The direct debit program allows CCSD to automatically credit your bill and debit your bank account on the bill due date. As long as the funds are available in your bank account, late fees and discontinuance notices will no longer apply to your utility bill account. You will receive a bill showing the amount that will be debited from your bank account, and date the debit will occur. The remittance coupon on your bill will say **"PAID BY DRAFT"**

Please review the chart below for a summary of the billing cycles for the full calendar year of **2023**.
