

# APPENDIX B

## Project Description

## **PROJECT DESCRIPTION**

Install a new 12-inch ductile iron pipe across existing steel bridge; tie-in to existing water lines; removal of tree; and replacement of south concrete approach per Exhibit "A" (Bid Proposal), Exhibit "B" (Project Description), Exhibit "C" (Measures to Protect Wildlife), Exhibit "D" (Specifications), and Exhibit "E" (Drawings). The completed project shall result in a fully functional permanent water line.
