6. Regular Business

A. Discussion and consideration to approve minutes from the May 3, 2016 Pros Meeting. Commissioner Johansson made a motion and Commissioner Renshaw seconded and passed unanimously.

B. Discussion and consideration on the Fiscalini East Ranch Park. Phase 1 grading project and how to proceed with a revised plan to comply with County Requirements. After much discussion, it was decided to let the water go down to the Field moving water to the West. It will stay far away from the creek. We will bring no fill dirt into the area. Commissioner Johansson made a motion to redesign the parking lot, to change entry from left to right. The motion died for lack of a second.

Another issue was the ADA parking for the dog park. It was decided: To have a walkway connecting both ADA parking spaces and a viewing area. This seemed to be the best approach

Time line for grading changes with the County is a month to two months.
