2. Ex- Officio Member Reports:

Friends of Fiscalini Ranch Preserve: JoEllen Butler reported: Wildflower show is in planning stages and will be held April 29 and 30th. They will have a photo contest. The Wednesday Weeders have been very busy. There are lots and lots of weeds after all the rains. There is a new bench on the Ranch made by and contributed by Will Scroggins. It is beautiful. Monitoring is continuing and FFRP is working on a permit to do some work on Santa Rosa Creek area which may entail the removal of some, if not all of, the Eucalyptus trees, broom and Cape Ivy. The area will be replanted with oaks, pines and native plants.

The Santa Rosa Trail is still closed due to the storm damage. The estimated cost of repairing the storm damage there is \$15,000-20,000. They are hoping get some funds from the state for this work. The work crew is starting to mow. The Steelhead park and dog park have been mowed.

6. Consent Agenda

A. Consideration to Approve Minutes from the regular meeting held on March 7, 2017 Motion was made by Commissioner Atencio and seconded by Commissioner Lord to approve the minutes. The motion passed unanimously.

7. Regular Business

Chair Kniffen asked permission to take item B first. Permission was granted.

B. Discussion and Consideration of Median Maintenance. Bruce Fosdike from NCAC and Jim Bahringer, as a private citizen, spoke to this issue, The problem seems to be that there are no guidelines and no plan for median maintenance. At the moment the medians are filled with weeds. Beautify Cambria will take charge of the maintenance of the medians, but feel they can do what ever they want. It is felt that they should have some kind of direction; as to what plants to plant, especially those that do not attract deer. There is no written plan. They are even thinking of planting trees. No one however, wants to take responsibility for an over all plan, not the County, not CCSD not public works and really not any sponsoring group. PROS

at the end of the lengthy discussion said they would be happy to hold a meeting for all the interested parties.

(Since the discussion, Beautify Cambria has scheduled a weed work day to be held on April 23, 2017 at 2:00 in afternoon. It had been scheduled for April 8 but cancelled due to rain)
