Replacement of Existing Guardrails at Various Locations Throughout San Luis Obispo County to Begin - The County of San Luis Obispo Department of Public Works will begin replacing guardrails in Los Osos, Cambria, and rural San Luis Obispo from June 28 through September 2022.

For Los Osos, work is tentatively scheduled to start at:

Table with 2 columns: Date and Location. Rows include: June 28, 2022 - Pecho Valley Road; July 11, 2022 - Ramona Avenue, South Bay Boulevard, and South Bay Boulevard/Yama Lane.

For locations in Cambria and rural San Luis Obispo during the months of August and September, work is tentatively scheduled at:

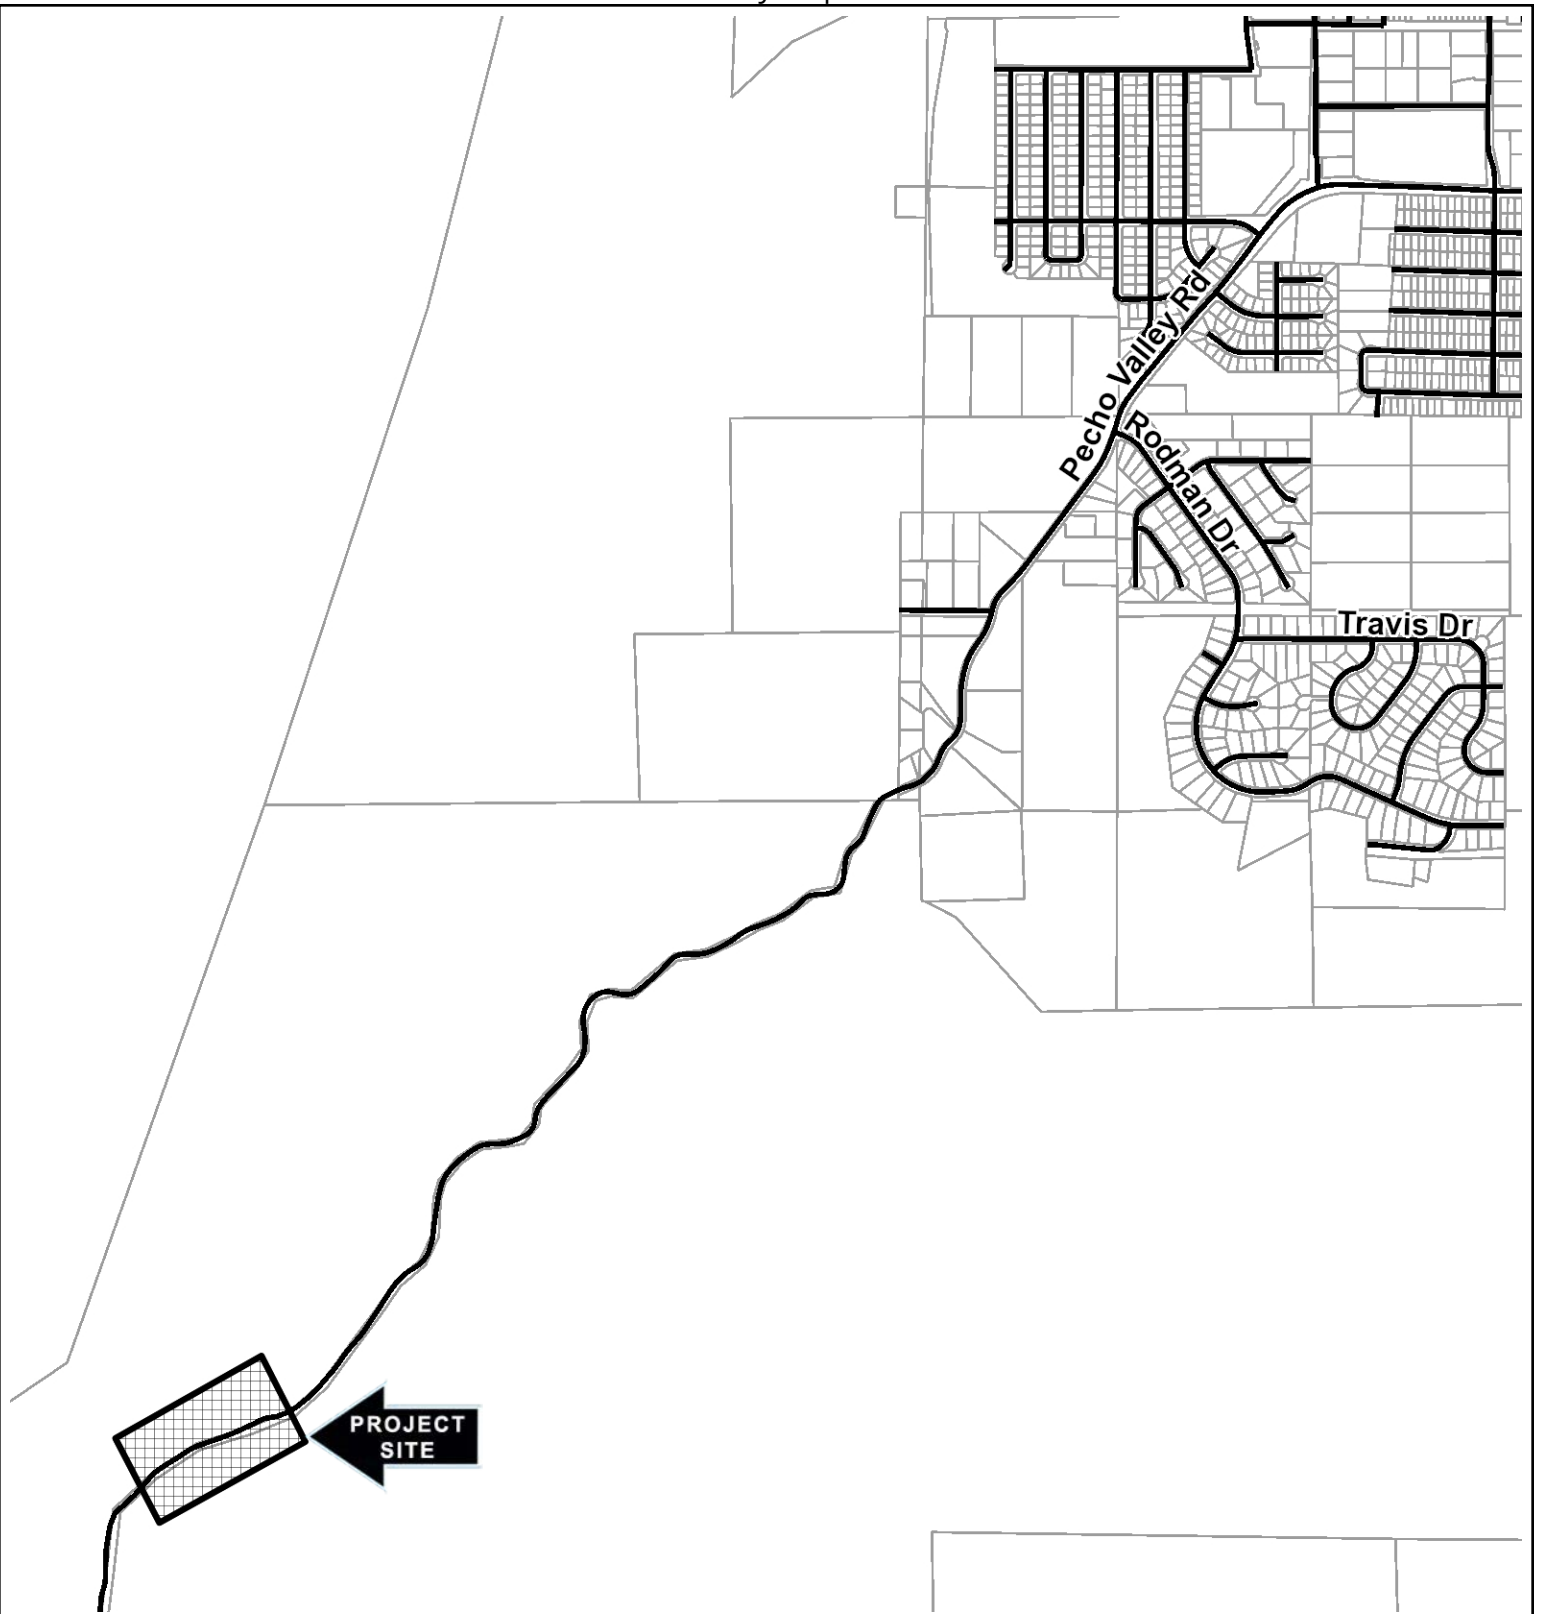

- Los Osos Valley Road - between Foothill Boulevard and Clark Valley Road, San Luis Obispo County
Moonstone Beach Drive - between Kendell Lane and approximately 0.4 miles north of Kendell Lane, Cambria
Charing Lane - between Windsor Boulevard and Croyden Lane, Cambria

For the safety of the public and workers, traffic will be reduced to one-way travel controlled by flagging and/or temporary signal control. Delays of up to 10 minutes can be expected. Motorists are advised to consider alternative routes.

R. Burke Corporation has been awarded the contract for \$792,730. The project is funded by the Federal Highway Administration's Highway Safety Improvement Program and the County Road Fund.

For more information, please contact Jimmy Tomac at (805) 781-4476.
