Fireworks Prohibited in Cambria

Cambria—As we approach the Fourth of July, the Cambria CSD Fire Department reminds the community that all fireworks, including “safe and sane”, are prohibited in the town of Cambria, even if legally purchased from a fireworks stand in another community.

The Cambria Community Services District Municipal Code 6.04.040 states: The discharge, possession and or storage of both Safe and Sane Fireworks as well as all illegal fireworks is prohibited, and the Fire Chief or his or her designee shall have the authority to seize all fireworks.

Fireworks pose a significant fire danger to increasingly dry conditions. Violations of the ordinance will include a citation and fees.

Community members can report fireworks observed in the community by calling the 24/7 non-emergency sheriff dispatch line at (805)781-4550. The fire department asks that individuals only use 9-1-1 to report emergencies.
