Check website for walks: www.cambriaranchwalks.com

Public Comment on Topics Not on the Agenda: None

4 **General Manager's Report:** no report

5. **Facilities and Resources Supervisor Report:** Some of the cut trees have been milled and will be turned into benches, tables and fences.They will be stored at the Facilities and Resources yard until used.

Kermit Johanssen brought back his concern of the swales and drainage down to the field. Artificial **swales** are often designed to manage water runoff, filter pollutants, and increase rainwater infiltration. After much discussion, it was recommended that he take his concern in person to Civil Design Studios and see if he can get answers. The grading and ADA concerns, when finally approved by County, will take about two months. The project can then go out to bid.

6. Regular Business

A. Discussion and consideration to approve minutes from the June 7, 2016 Pros Meeting. Commissioner Atencio made a motion and Commissioner Renshaw seconded and passed unanimously.

7. Comments, concerns, other Future Discussion Items: Michael Thompson brought up the following: Tesla has asked permission to put a supercharger station at the pocket park near the post office. We will need a public forum regarding this project. Pros will be asked to sponsor the forum. It will probably be held in Mid August. Commissioner Renshaw requested that the Tesla information on the Supercharger station be sent to all the Commissioners.

8. Adjourn The meeting was adjourned at 11:00. Next PROS meeting will be August 2, 2016 at 10:00 A.M., at Veterans Memorial Building
